Mr. Bump Devotes Time To Hinkley

Mr. Eugene Bump, vice-principal, devotes a large amount of time to the students' athletics and activities programs. He has organized the clubs and groups in such a way that they include the interests of all students.

Mr. Bump spends much of his time working here at school especially at athletic events. Often during the year, Mr. Bump is at school almost every night of the week. We are fortunate to have such a hard working and enthusiastic person as Mr. Bump at Hinkley. Therefore, the 1980 Contrails staff proudly dedicates the 1980 yearbook to Mr. Bump.

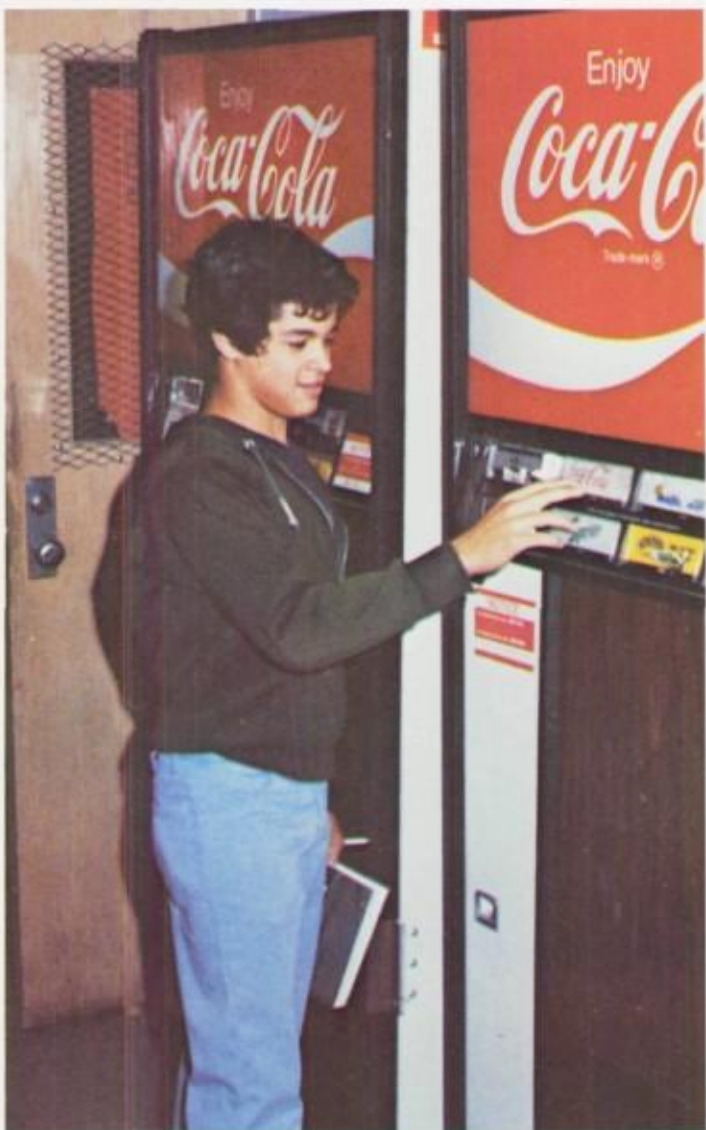

Each person's life is like a painting, and like paintings, no two are exactly alike. Every painting is different and is an individual in itself. Each stroke is a thread of life and another happening of life. All the ups and downs of life are composed into a *canvas*, a life uniquely one's own, completely different from anyone else's.

As people go through life individual *canvases* form into a picture. A picture of life as one has lived it. A *canvas* never seems to end—more and more strokes are painted on, to create a bigger and more beautiful picture.

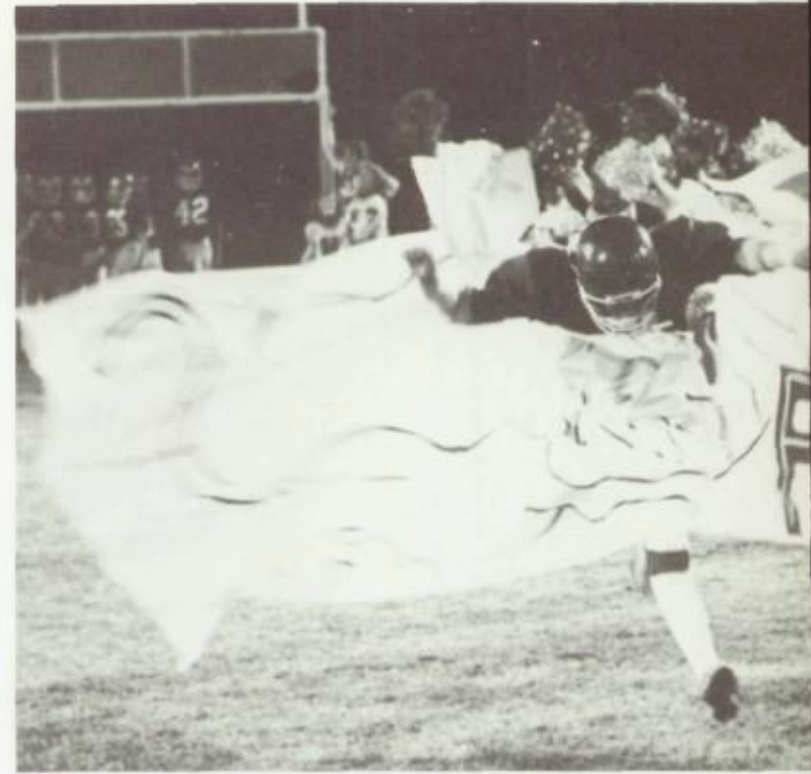

Each stage of life is something to be experienced. People can be told about the experiences, but they never know what feelings are felt, and feelings are the experiences of one's *canvas*.

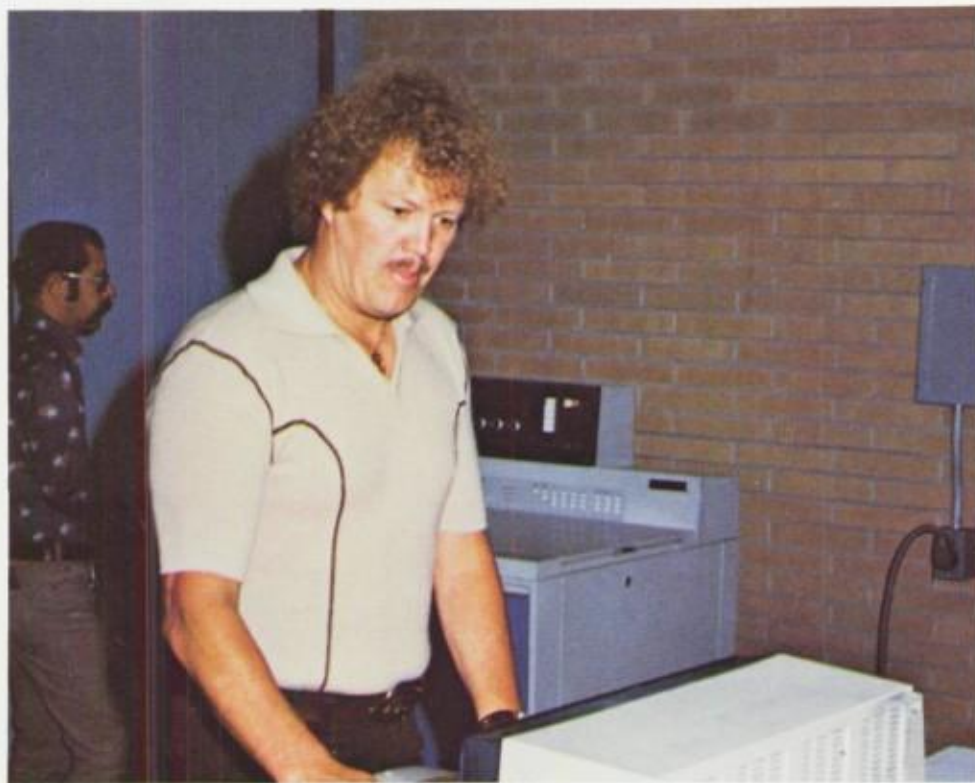

Hinkley is a sketch on one's own *canvas*. Hinkley helps to form and create the next strokes of life. It helps students to see what is in store for their futures and prepares them for it.

Here at Hinkley each person is an individual. They each have feelings that no one else can feel. Some try to find an escape where they can let out their feelings—it might be by being with a certain person or in a group of people. Others may display their feelings through art or sports.

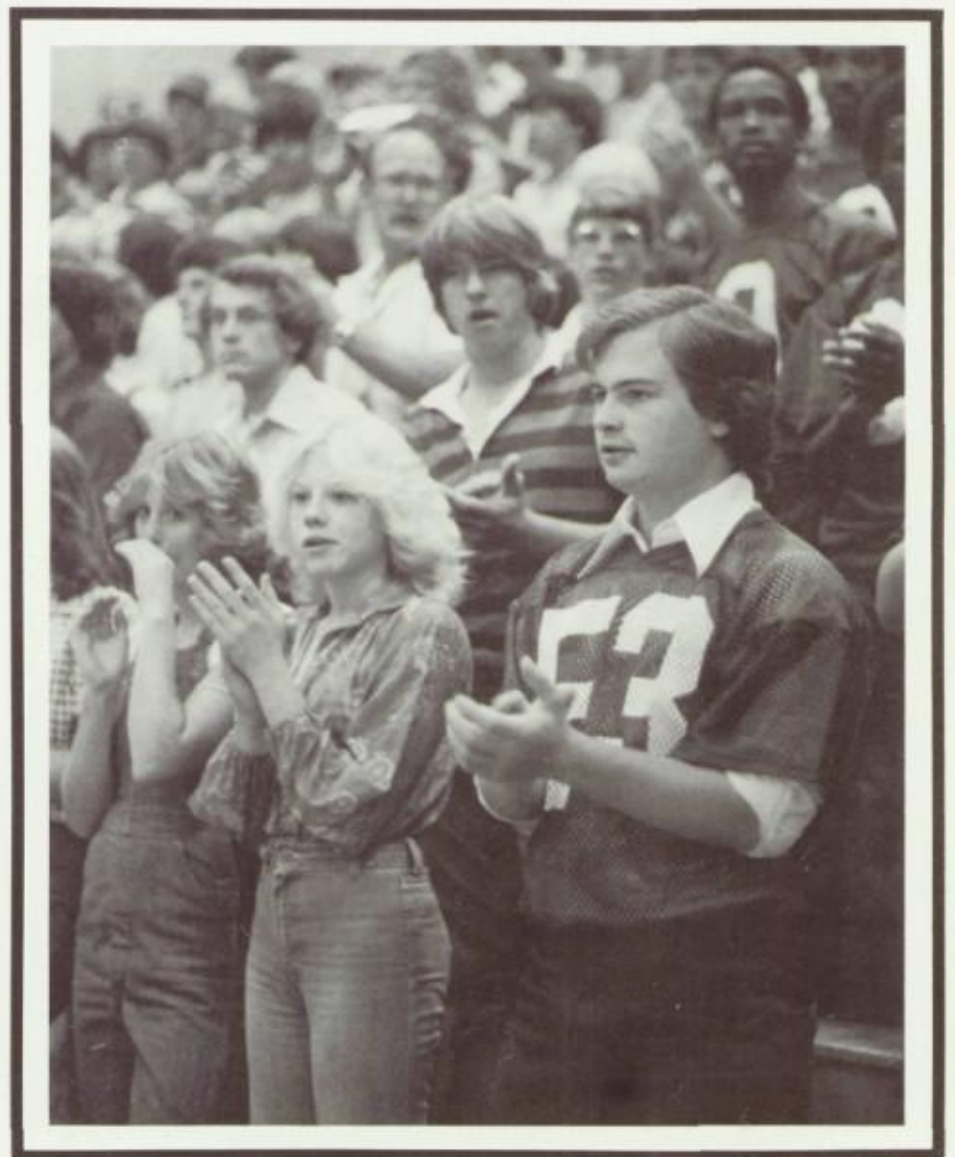

This year, like many school years, was a year of more learning and new experiences, ranging from sitting in the library with friends, to painting a different face of someone. Much of Hinkley was the same, but many events made this year memorable. The triumphs of winning and the sadness of losing are the same types of experiences that we have encountered in other school years. And from these experiences we are not only a year older, but also a year wiser.

Summer Lingers into Fall

Activities that students do in the fall are carry overs from summer activities, such as a frisbee game that students organized after lunch. They were a major part of the lives of students in the fall and gave them places to go. The activities gave all students a feeling of importance, along with a place to feel secure with friends.

Many of these happenings were organized for specific groups of people, such as after school soccer. But many were quiet activities such as a walk around the track, or a quiet talk outside. Therefore, Hinkley students enjoyed not only organized activities, but those that were spur of the moment.

Juniors Pam Sellers and Holly Helme relax with a walk around the track.

Fall Football: A Major Part of Student Life

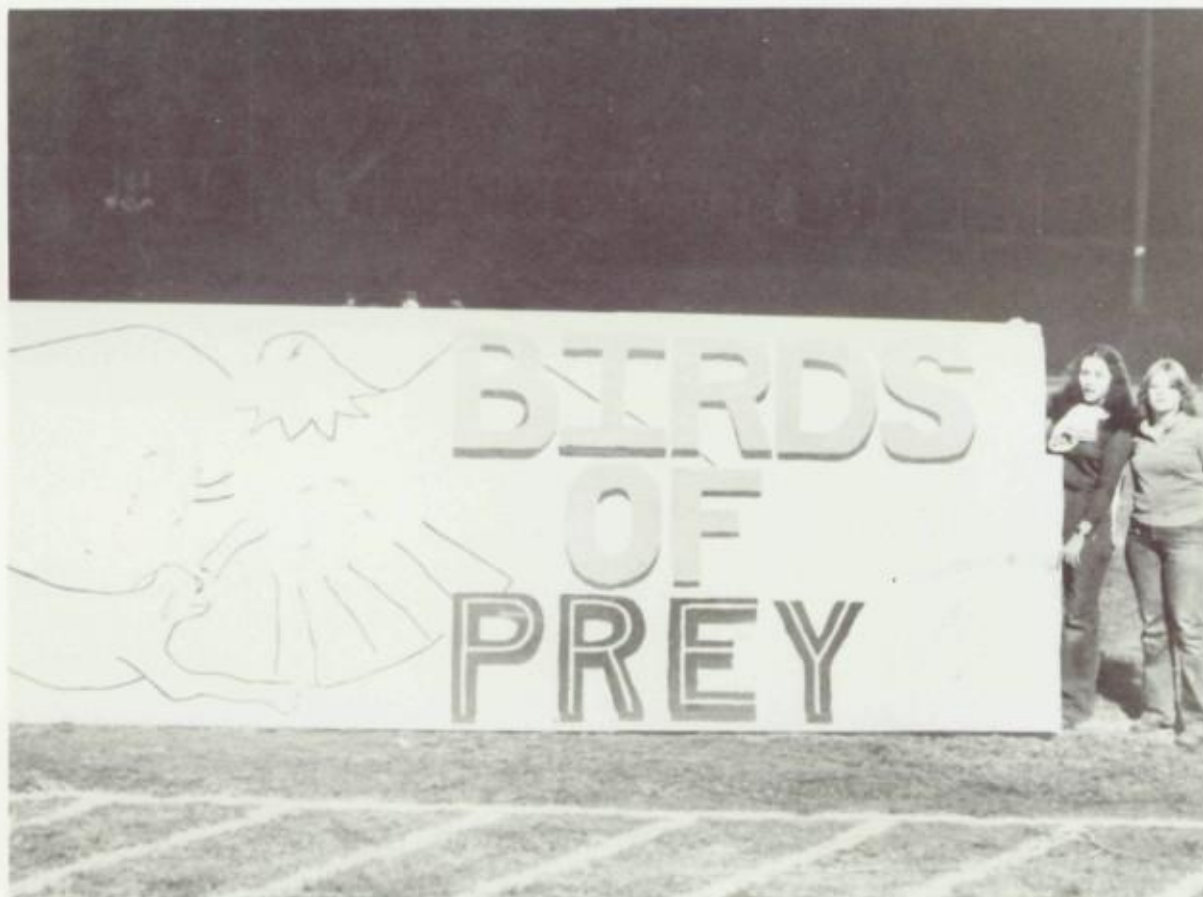

During the fall season, many students attended the football games and were involved in various activities. Some sold refreshments which earned them extra money. Some students gave their time to learn medical self help. They were always there during football games in case of injuries. The band played a big part in supporting the team, providing music, entertainment during halftime, and help in pepping up the cheers. Along with the band were the members of the pep club. They made signs for the football players to run through, decorations for the stands and helped with the cheers.

The Spirit of the Great Pumpkin Invades Hinkley

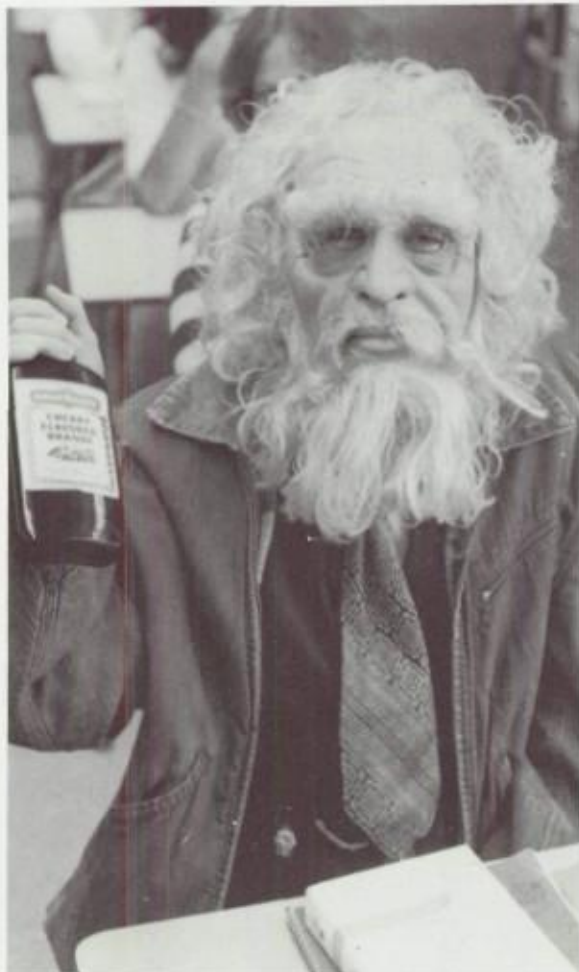

October 31, 1979, was Halloween at Hinkley High. The festivities began with the students dressing up in their favorite outfits. There were not only the usual ghosts and goblins but bunnies, Hot Lips, Jr., a Knight in shining armor and the most original, a drunk old man. It was full of fun and enjoyment for all with a lot of participation on the part of students and faculty alike.

Spirit Week and Floats Highlight Homecoming 1979

Rah! Rah! Hurray! Hurray! The cheers and yells echoed through the halls of Hinkley High. Spirit Week was held October 15 through October 19. To start the week off we had "Stomp the Buffs Day"; most students dressed in big boots, shirts and hats. Tuesday was Pajama Day, in which the students forgot to get dressed before coming to school. Also that day there was a slave auction where students were sold for small amounts of money. On Wednesday we had a combination of slaves and everyday normal nurds. The nostalgic 50's were brought back on Thursday, with a sock hop during all three lunches. As the week came to an end our spirits were high, as everyone gathered at a pep assembly dressed in Blue and Silver.

1979-80 Homecoming Dance Was a Huge Success

This year's Homecoming Dance was once again a delightful event. Again this year it was organized beautifully by Student Council. The festivities took place on October 20, 1979 at Paul Beck Center. The music was provided by Disco Connection. This year's theme was "We will never pass this way again," which was a very appropriate theme. This Homecoming Dance, like the others, was an important remembrance for the class of '80.

The atmosphere of the evening was lively.

The dancing was great.

Slow dances played a big part in the evening.

King Brian Fisher and Queen Mary Martin have a special dance.

Hinkley students weren't the only participants—kids from other schools were there, also.

Many spent the evening talking over old times.

Senior Mary Martin is astonished when she is picked Homecoming Queen.

These freshman think that dancing is great.

Junior Ted Finney and Lanette Newton enjoy the slow dance.

Senior Patty Jaramilla and her date only have eyes for each other.

Senior Bryant Gulde and Junior Vicki Goldstein enjoy disco.

Country Dance Features Live Music

The Country Dance was held November 30, 1979, at 8:00 p.m. The music was provided by Terry Perkle and the New Country Edition. For being the first country dance, it was a big success. Darla Cross was elected "Country Queen", and being the very first "Country Queen" was a big honor. Hinkley High students were not the only students there, because the dance was open to everyone. It was a great escape from the everyday routine.

The line dance was the hit of the evening.

Everyone was surprised by Scott Beilhartz's moves on the dance floor.

1979-80 Theatre Season Opens With "Harvey"

On November 15 and 16 "Harvey" by Mary Chase was performed in Hinkley's auditorium under the direction of Mr. Robert Cary. This was Mr. Cary's first play since returning to Hinkley from his sabbatical. The leading roles were played by Charmaine Blakely and John Davis. The play was a big success.

"Silent Night Boogie"

Everyone had fun at the Christmas Dance. Students shared their Christmas spirit with everyone and danced the night away. The dance was held at the Paul Beck Center on December 8, 1979. The Christmas tree was brightly decorated with shimmering lights. The Junior Class sponsored the dance, and it came off very well. There was great music for the evening's festivities which was produced by "Disco Connection". The Junior Class did a super job organizing the dance, and making it run smoothly. Everyone enjoyed the dance and the good times; it will be a time for all to remember.

A Thurber's Carnival Draws a Large Crowd.

The second all-school play, "A Thurber's Carnival", was presented on January 24th and 28th. This play consisted of ten smaller plays written by James Thurber. One of the most enjoyable of these comedy skits was "Mr. Preble Gets Rid of his Wife". Mr. Preble wanted to kill his wife, but the tables were turned around and she tried to kill him. Another one that went over well was "The Secret Life of Walter Mitty". In this one there were three skits in one. The first one was when Mitty thought he was an airplane pilot fighting his way through a hurricane. The second one was when he was a famous doctor and the last one part was when he was a spy.

Faculty Outdoes Channel Nine.

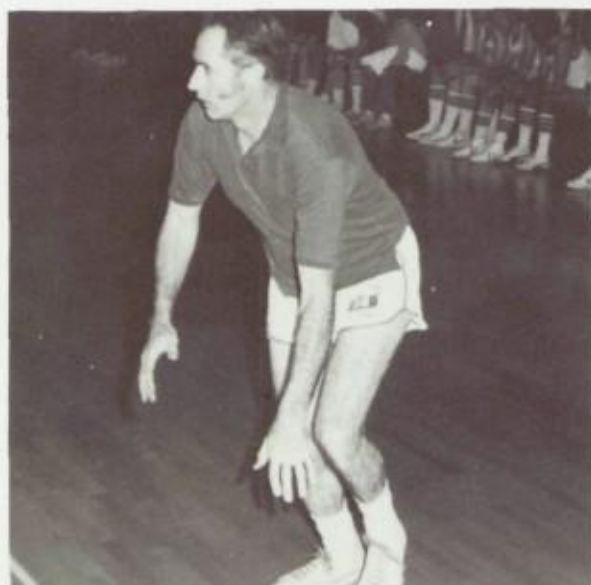

Monday, February 10, 1980, the Hinkley faculty basketball team played Channel Nine in a game which was sponsored by Close-up, in order to help lower the cost of their trip to Washington D.C. Hinkley's lineup which was made up of faculty members and spouses of faculty members, went out to face Channel Nine's staff, which included Mike Nolan and Gary Cruz. During most of the first quarter, Hinkley's team kept a good strong lead. By halftime, Hinkley had a lead of 12 points. Letting students and adults shoot baskets from the free-throw line to see who was the best was the activity for halftime. During the third quarter the action picked up, especially when Joe Wallace slam-dunked the ball for the faculty's side. As the game came to an end, the faculty was victorious with a 68-60 win over Channel 9.

Gary Cruz seems to think, "Wow, would you give me your autograph?"

Brent Carlson concentrates for another two points.

"I keep thinking I'm bowling!", says Clifford Lushbough.

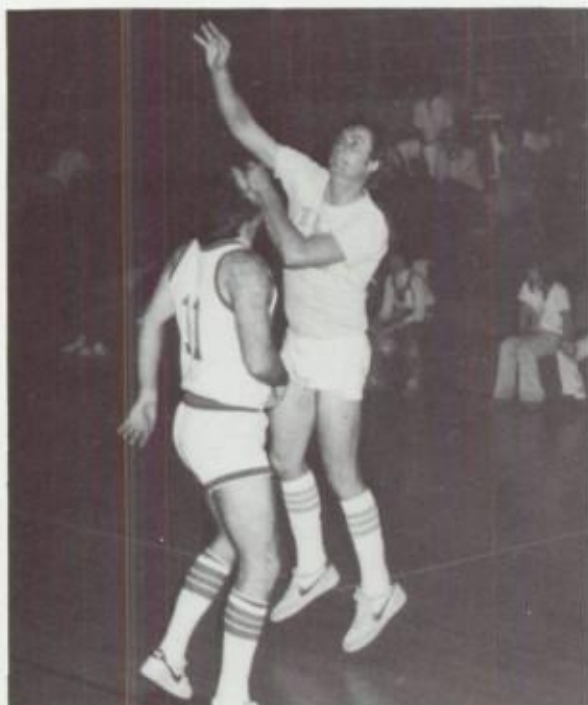

Barry Wallace and Gary Cruz do the "bump" during the second quarter of the game.

Ken Vialpondo accepts his prize during half-time from Don Drollinger, Close-up sponsor.

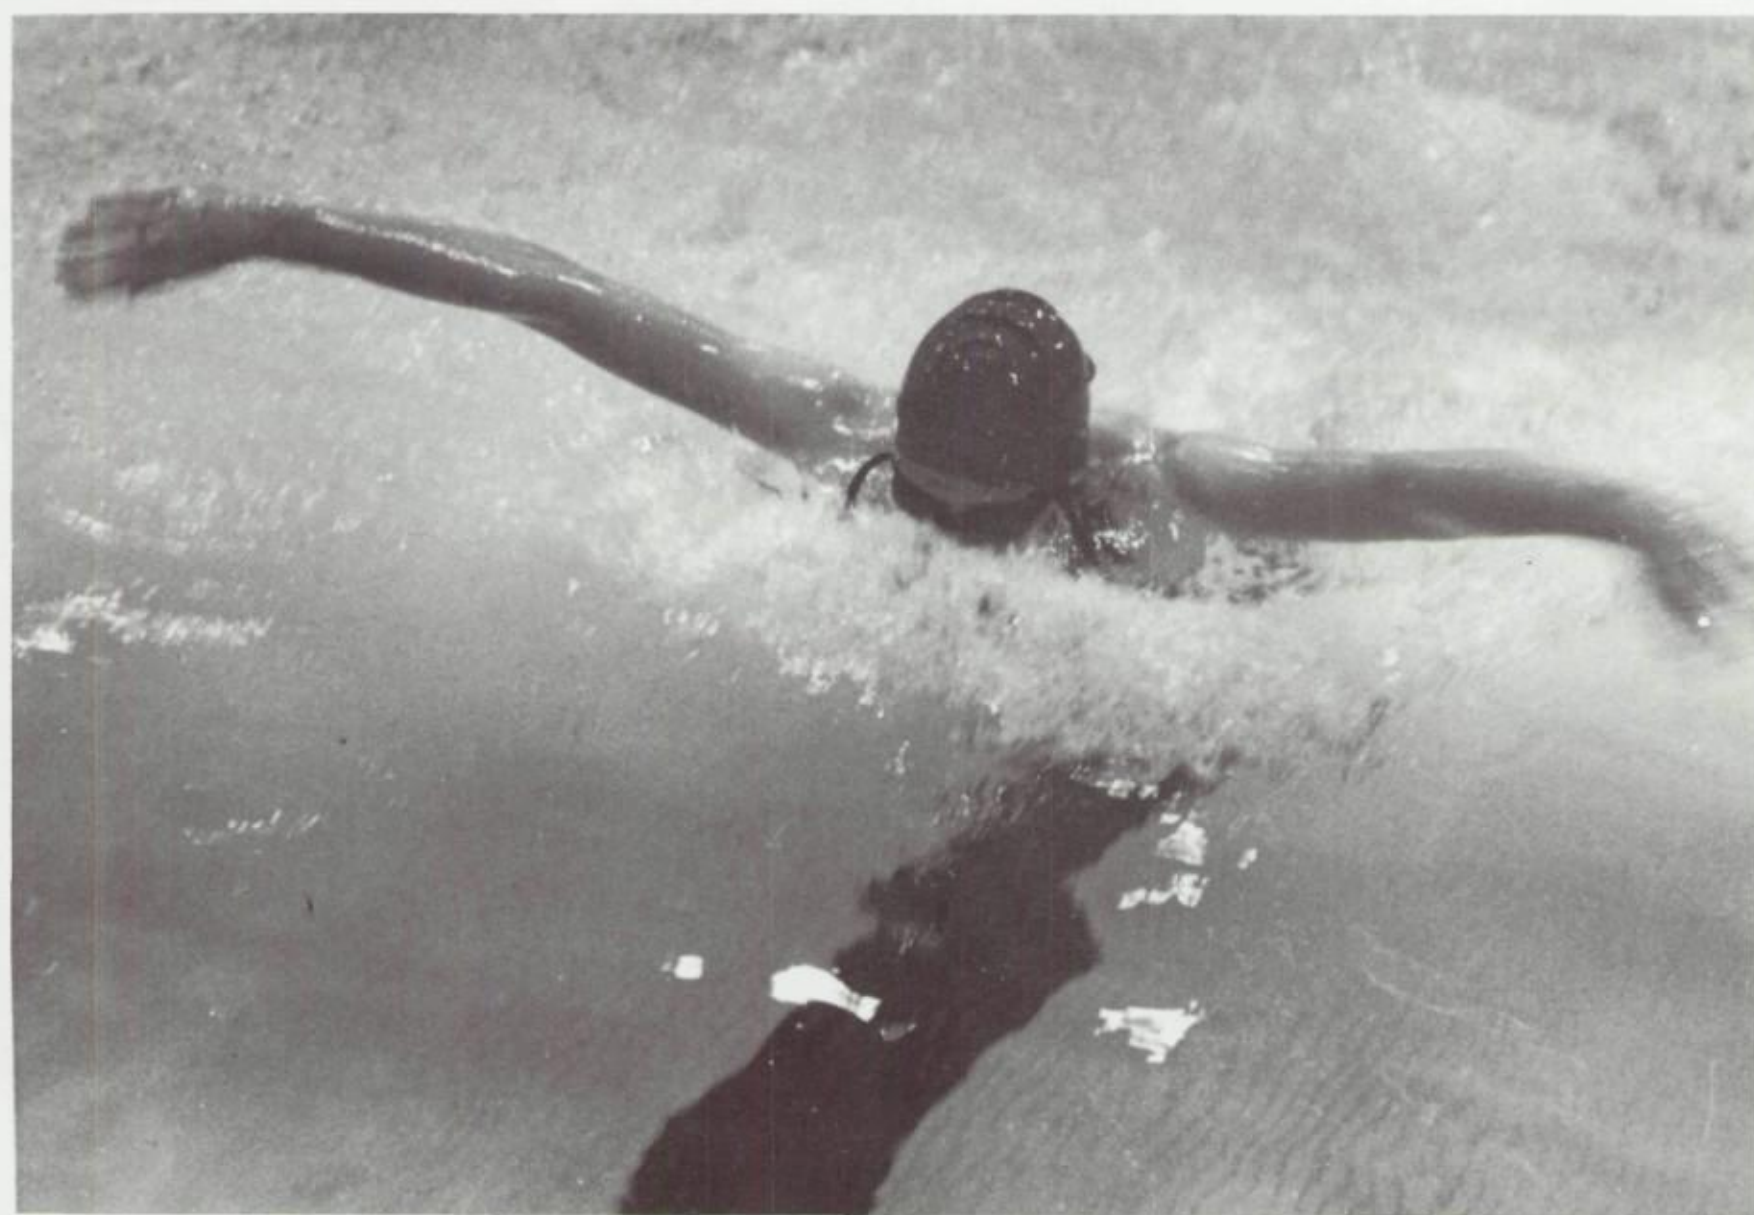

Channel 9 seems to be asking Joe Wallace if he needs a lift.

Sports

Thunderbirds Overpower Olympians 21-0.

The grand finale of the T-Bird's 1979 football season came when they shutout cross town rival Gateway. It was the first shutout in four years. This game was also especially significant because senior quarterback Jeff Smith broke the school's season passing record. He passed for 1,329 yards this year. The passing game was the team's strongest point. Most valuable player awards went to four seniors: Jeff

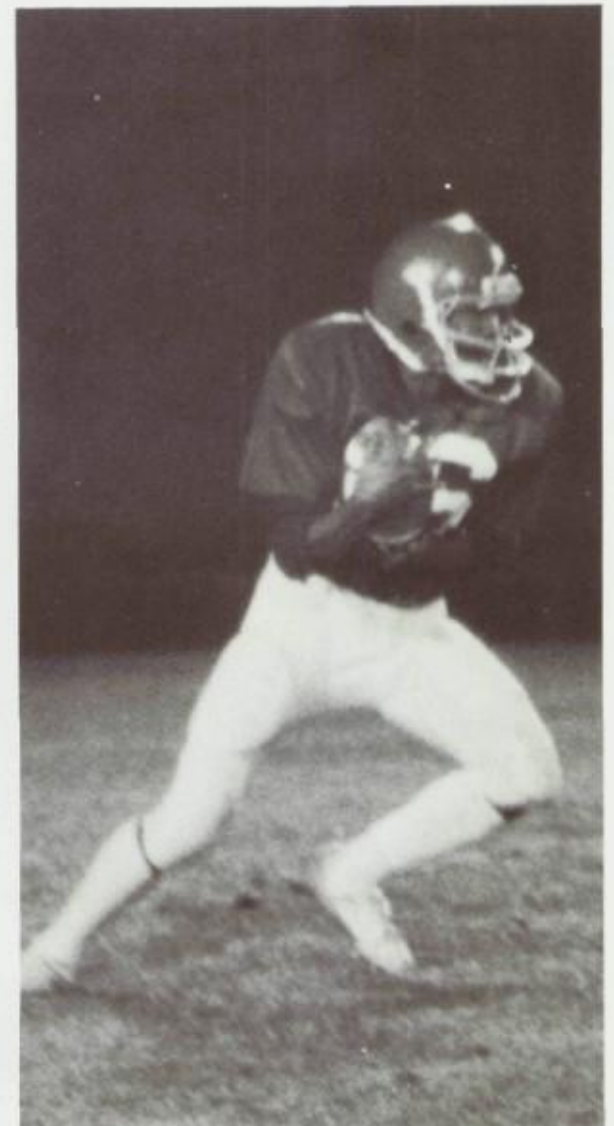

Smith, Jeff Campeau, Paul Weece and Tim Mologne. Three reasons were outlined for the T-Bird's eight losses: injuries, a slow start, bad breaks. Two games (Arapahoe and Central) were lost in the final seconds on bad breaks. Coach Nachazel praised the team saying they never quit. He also stated that the future looks good because of a super sophomore team and a fine corp of returning juniors.

Sophomores Continue Winning Tradition.

Coach Sago's sophomores had one of the best seasons ever with a record of six wins, two losses, and one tie. The team's best game was against Boulder, beating them 34-14. Also highlighting this year was the second straight defeat of Cherry Creek. The team won by a score of 3 to 0. Because Coach Sago coaches for a whole team, he did not name a most valuable player, but did name Dave Morris as the team's most improved player. With the addition of this fine sophomore team to next year's J.V. and varsity squads, the 1980 football season should be an exciting one.

T-Birds Display Strong Defense.

Although the Boys' Varsity Soccer team was winless during its 1979 campaign, Coach Carlson said that the team improved tremendously during the year. He also stated that overall he was pleased with the team's progress over the season and the personal maturity in the players which is so important in athletics. Many reasons were outlined for the T-Birds winless season: inexperience, ineligibility, and the loss of key players.

The T-Birds had a good defense. They

twice held state champions Heritage to three goals. Coach Carlson singled out three players as their most valuable players. They were Randy Harrelson, Keith Davis, and Glenn McMahan. Coach Carlson said that the future looks promising. Many players are moving up from J.V. and most of the players are going to play in spring and summer soccer leagues. This experience could turn the T-Birds back over to a winning tradition.

Young T-Birds Defeat Cross-Town Rivals.

Highlighting this year's J.V. soccer team's season were their wins over cross town rivals, Central and Gateway. Moreover, five games were lost by a single goal. Coach Mieger said that in spite of a 2-14 won-loss record, the year was successful because of the good attitude and sportsmanship displayed by the players. Coach Mieger singled out Freshman Jay Ashburn as the team's most valuable player. Because the team had a lot of youth and improved greatly during the year, they look forward to an excellent 1980 season.

Young Spikers Improve

This year's volleyball team was greatly improved from last year. Although the team won only one match, they succeeded in winning more points and games this season. Holding Littleton to only one point in the second game of the team's only match win was the high point of the season. Coach Hooks felt that the team's stronger, more consistent serve was its best point. Furthermore, Coach Hooks cited that, "The kids need to break the tradition of losing in their own minds. When they believe they can win they will win."

Chris Johnson leaps to block the spike.

Spikers Rally Against Gateway

After being down 14-7 against Gateway in the first game of the match the Girl's J.V. Volleyball team rallied and beat the Olympians 16-14. They went on to take the second game also. This match was the best of the year for the T-Birds. It was typical of their determination and spirit. The team was led by Captain Stella Hall who was also the most valuable player and by Pam Taylor who was the most improved. Coach Cunningham encouraged all girls to come out because it's fun and a good way to meet people.

Coach Brian Reynolds named both Denise Dinsmore and Barb Loflin as co-most valuable players. Pam Taylor and Jenny Zusman shared honors as the team's most improved players. Coach Brian Reynolds thought that overall it was a good season and he looks forward to an even better one next year.

Girls' Swimming Breaks Ten Records.

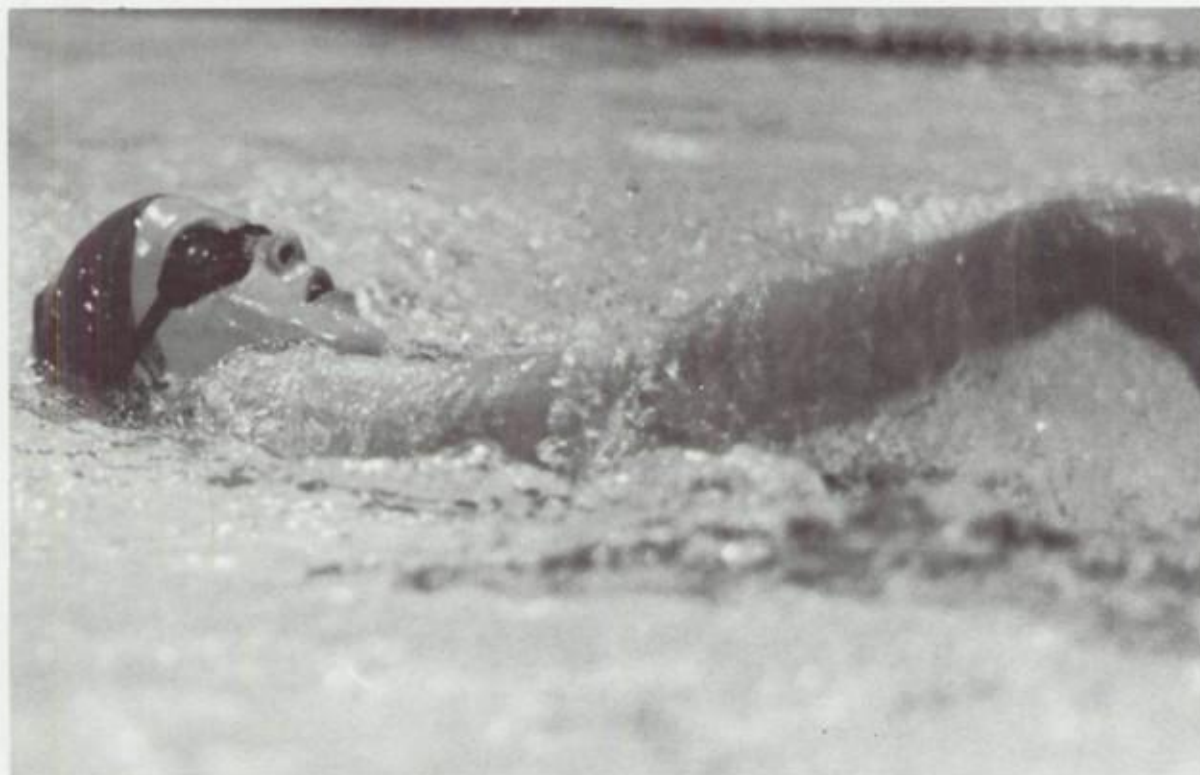

During the 1979 Girls' Swimming season, all school records, except diving, were broken. This, primarily, was due to the addition of Freshman Laurice Temple. She was partly or entirely responsible for almost every record setting time. Laurice also qualified for state, taking tenth in the 50 freestyle, and fifteenth in the 100 freestyle.

Besides sending one girl to state, the team boasts seven Centennial "A" League qualifiers.

Coach Larry Ahlstrom stated that the

team did not have a most valuable swimmer, but he did say that Chrissy DeSoto was the team's most improved.

The team's best meet was against Central. They defeated Central 96-74. After the meet, the two teams went and ate pizza together. Since the team had only three seniors, Michelle Bolin, Leigh Grimmett, and Kaylene Miller and have such a talented core of freshman, Coach Ahlstrom believes that they can have a 5-5 season or better.

Laurice Temple demonstrates the skill that took her to state.

Shea Takes Second at State.

The cross country teams had one of their best seasons ever. This year's individual and team scores were some of the best ever recorded. But the brightest point of the year was Noreen Shea's second place finish at the state meet with a time of 17:46 minutes. Also, because of Noreen's first place finishes throughout the season, she was named the most valuable member for the girl's team. The girl's best team effort was at the Denver Invitational run. Although the boys' season was not as prosperous as the girls', it was a good one.

Netters Have Best Season Ever.

Winning seven out of thirteen matches, this year's tennis team surpassed all previous team records. The team's best overall match was against Douglas County defeating them six matches to one match. Senior Greg Lewis proved to be the netters best overall member. However, third single Henry Higaki was the most consistent member with a win-loss record of five-two. Furthermore, the first doubles team of Mike Gibbons and Gary Huff also ended the season with a five-two won-loss record. Despite the loss of six seniors, next year's team will have the winning tradition from this year. Congratulations on a good year.

T-Birds Gain Experience.

Although Hinkley's Varsity Golf Team finished eleventh in the league this year, the prospects are bright for the future because of the team's good depth. Coach Johnson cited Senior Bart Chelf as the team's most valuable player. Sophomore Steve Hamilton was chosen as the most improved. Furthermore, Coach Johnson stated, "Throughout the season, the team had a great attitude and were dedicated." Although next year's team will be young, they have the experience they need.

Girls Gymnastics Returns.

This year marked the revival of the girl's gymnastic team. Coach Roberts stated, "I felt that since the girls had not had a team last year, they only had to compete with themselves." Because of the team's inexperience they started with the very basics. However, as the season came to an end, the team had greatly improved. Defeating Gateway proved to be the season's highlight. The team's most valuable members were Sophomore Kelly Sizemore and Freshman Becky Brown, the team's only all around competitors this year. Because the girls will be able to practice year round, there are hopes of more victories next year.

Freshman Basketball Shows Prosperity

Sam Smith looks to pass around the defenders.

In league play before the tournament, the Freshman "A" Basketball Team earned itself a second place finish with a fine record of 8-4. The "B" team finished its season with a 4-8 record.

Coach Carlson did not pick a most valuable player, but he did single out Ron Stevens as the team's most improved member.

Both the A and B squads have enough talent to make a good sophomore team, and some may help fill out the junior varsity ranks next year.

T-Birds Exhibit Importance of Teamwork.

Highlighting the season for the Boys' Sophomore Basketball team, were their opening win over Sterling and their win over league-rival Cherry Creek.

Team play was the T-Birds' strong point. They worked very hard on passing and playing together as one unit. This is the primary reason that Coach Dave Angelich did not choose a most valuable or improved player.

Although the sophomore team did not have a winning season, they were successful because they learned the value of teamwork.

Although this year's J.V. Boys' Basketball team was young, it had an exciting and respectable season. Coach Ron Salazar noted that the team really started to gel and improve towards the end of the season.

Like most teams at Hinkley, the team's best point was its defense. Leading the way, were co-MVP's, Skeeter Barnes and Brent Brack. The most improved player was Mark Munson.

T-Birds Rally at the Right Time.

After a fantastic start and then a let-down of five games, the T-Birds rebounded to win five games, including a decisive victory over highly-ranked Heritage.

The team was led offensively by Junior Anthony Sturges, while Senior Rick French was outstanding on defense.

These two players led a team which had the most depth of any recent Hinkley

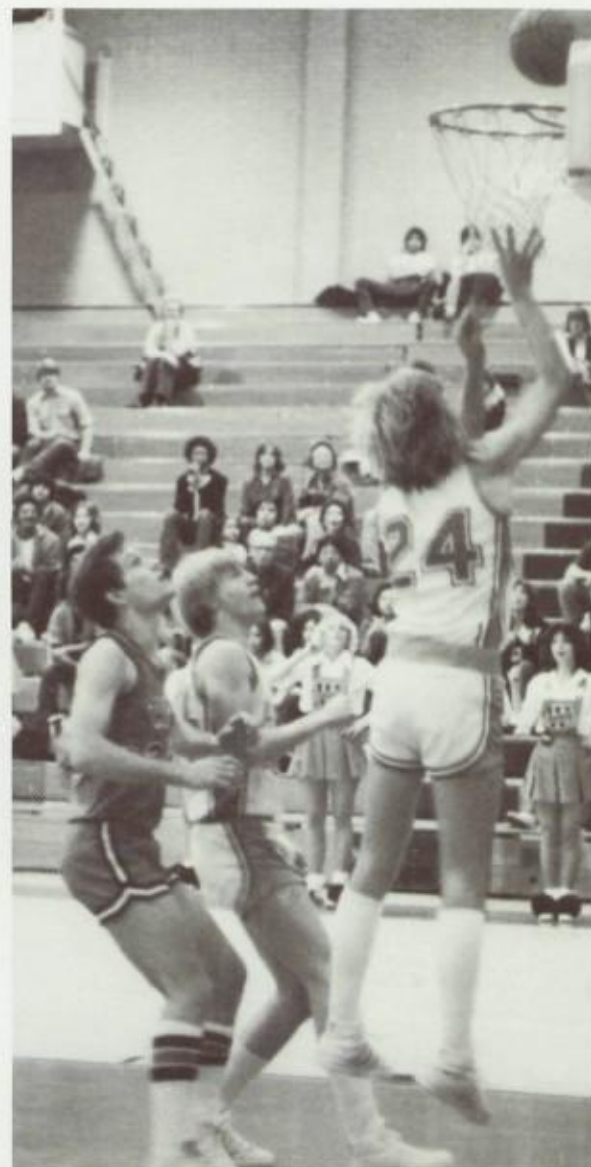

team. Coach Frank Kelly stated that he had nine "starters."

Defense was the T-Birds biggest asset. They held their opponents to an average of 52 points per game which was second best in the league.

Because of the T-Birds' strong showing in the last half of this season, they were a team to be reckoned with when the play-offs begin.

Freshman-Sophomore Team Beats Boulder 42-27.

Although the girls' Freshman-Sophomore basketball team only had a record of 3-11 this year, the girls learned a lot of basic skills. Coach Baker felt the team's best point was their offense. The girls' strong offense was proven when they defeated Boulder 42 to 27.

Angela Thomas was cited as the team's strongest scorer. Furthermore, Angela Thomas and Gail Allain made the most rebounds. Also, Coach Baker felt Sonja Phillips was the most improved member of the team.

Since the girls have gained experience and knowledge of the game they should help in building a good J.V. team next season.

Beth Wood shoots from the outside.

With a record of 11-3 this year's girls' J.V. basketball team had a good season. Coach Vedra felt the girls' games against Boulder and Arvada West were the toughest games that the girls played.

The girls displayed a strong game in both defense and offense. Offensively the team averaged 39 points per game and defensively held their opponents to 24 points. Donna Redler and Vanessa Sheffield were cited not only as the team's most valuable players, but also as the driving forces of the offense. Vanessa and Beth Wood were the force behind the defense. Pam Albrecht, Suzie Corby and Vanessa Sheffield were this year's team captains.

Girls' Exhibit Strong Defense.

This year was an excellent season for the girls' basketball team. The girls were continually ranked in the top five in the state. The key to this year's success proved to be the team's very strong defense. Defensively the girls were the best in the league. The offense was led by the high scoring of Kim Jackson and Terri Walters.

Furthermore, Coach Melton cited Michelle Oswald as the most improved player on the team. One of the brightest spots of the season was their 58 to 38 trounce over Boulder. Because of the team's fine young talent, the 1981 year looks to be another excellent season.

Despite a slow start the J.V. wrestling team bounced back to end the season with a solid 7-4-1 record. Coach Hinton felt that the turning point of the season came when the team took second place out of eight schools at the Fort Lupton Tourney.

Coach Hinton also stated that next year they should have a good blend of weights to fill in open Varsity and J.V. spots. Because of the strong J.V. squad, next year's Varsity and J.V. seasons should be exciting.

Grapplers End Season With 10-2 Record.

The 1980 season proved to be as fulfilling a season as our Varsity Wrestling team could have hoped. Not only did the team end the season with a record of 10-2, but also Senior Jim Lefler set a school record of 14 pins.

Moreover, the team won a very gratifying first place at the Central Tournament. Also, Senior wrestler Tim Mologne, who wrestled in the heavyweight division, was undefeated in league competition and went on to take first place at the district meet.

Furthermore, Tim and five other wrestlers: Don Nelson, Tom Wilke, Jim Lefler, Mike James and Bryan Bertram made it to the regional competition.

Nine Go To "A" League Meet.

Although the Boys' Swim team only won two meets this year, nine members qualified for the "A" league meet. Furthermore, the guys won a thrilling meet against cross-town rival Central. The meet ended with Hinkley 93—Central 65.

Coach Ahlstrom cited Ken Bass, Danny Price, Scott Baer, and Jeff Broderick as the team's most valuable swimmers. Mr. Ahlstrom went on to say that the team had to commute and share practice time with Gateway, which caused problems. Coach Ahlstrom said that he hopes to build a strong swim team at Hinkley but that he needs more student participation.

Trainers Play Major Role in Athletics.

The training staff here at school has proved to be a very qualified group. Under the guidance of teacher/trainer Pat Dolezal, the staff helps with the care of athletic injuries. Each member of the staff is required to have passed an advanced course in first aid. The purpose of the staff is to care for, prevent, and recondition athletic injuries. The staff, however, gives no medication or diagnosis.

During the course of a year, the staff is responsible for twenty sports and forty teams. Because of the large responsibility and small staff, the group must work on a schedule during the busy fall and spring seasons.

However, the first concern of all staff members was maintaining good grades. To be eligible for the staff one had to maintain the same grades as the athletes.

Asian Student Alliance Begins First Year

Sponsored by Mrs. Gail Schatz, the Asian Student Alliance had approximately twenty members. The purpose of ASA was to acquaint Asian students with their cultural backgrounds.

Among activities for the year were volleyball games and a bake sale. A banquet was held on February 15. During the meetings, many members helped one another with homework assignments. "Founding Fathers" replaced officers. They were Terry Chan, Vu Dinh, Susan Schaefer, and Ellen Woo. Maxine Womack and Gwen Evans were the club "mascots". Other members were Le Nguyen, Trang Le, Chau Buivantri, Lieu Nguyen, Van Dinh, Phuoc Ho, Hung Ngo, Khiem Le, and Henry Higaki.

B.S.A.

The purpose of Black Student Alliance was to introduce all students to the Black students' views, to attempt to break racial barriers, and to inform people in the school community of Black successes that are not mentioned in the textbooks. Stu-

dents joined to become better acquainted with Black students at Hinkley so that they could work to reduce racial stereotypes of all types. The club held many activities this year including selling Elf Wishes at Christmas, T-shirts and but-

tons. The highlights of the year were a fashion show and a carnival. On the presidential committee were Richie Strickland, Lee Grove, and Theresa Elliot. The secretary was Donna Bellaire and the treasurer was Delora Hanson.

The band at Hinkley was directed by Mr. Bill Myers. This year's main event was their trip to Mexico. They raised part of the money by selling candles and citrus

fruit. The band is responsible for some of the schools entertainment at football games and pep assemblies. Following is the list of names and their instruments:

Stage band practices one of their favorite songs.

Mr. Bill Myers, the band director.

Jacque Larson plays the baritone for all of mankind to hear.

Mr. Bill Myers directed stage band this year at Hinkley. The stage band has been with Hinkley for a great many years. Most people consider the two bands one, but they aren't, they are both separate classes. Stage band works mostly with the marching band, attending concerts together and performing with each other at football games. Stage band helps to keep school spirit alive by showing their enthusiasm at pep assemblies with the marching band. At the rate they are going, before long they will have a reputation they can call their own.

Hinkley Boasts Excellent Choirs

Hinkley's Concert Choir with a membership of forty-five, gave three school performances and participated in the State Contest. The year was highlighted by a trip to Grand Junction to compete in a national contest and the performance of Gabriel Faure's Requiem. Like Concert Choir, Girls' Ensemble also had forty-five members and participated in the State Contest. The T-Bird Singers, the most select singing group at Hinkley, had fourteen members. This group mostly sang Madrigals, a sixteenth-century style of music. The ensemble gave many performances, such as singing at banquets and caroling in shopping malls. A Cappella Choir improved its sound with thirty members, which included freshmen, sophomores, and juniors. There was a well-rounded program for all of Hinkley's singers.

Students Get A Close-Up on Washington, D.C.

Along with twenty-six other Colorado schools, twenty-one Hinkley students went to Washington, D.C. as part of the Close-Up program. The Close-Up program was a program for the average high school student to get an education on how our system of government works. Along with the sponsor, Mr. Donald Drollinger, the students left on April 13, 1980, for Washington, D.C. and returned home on April 19, 1980. In Washington, D.C. the students spoke to Colorado senators and representatives, senators and representatives from other states, toured the National Capitol, toured the White House, and visited the Smithsonian Institute. To help defer the \$599.00 needed to pay for the trip, the students sold citrus fruit, held a dance on January 17, 1980, and solicited contributions from local corporations.

Computer Club Has A Good Year

The Computer Club at Hinkley was sponsored by Mr. Dennis Cole. The purpose of this club was to give students at Hinkley the chance to work with computers. Many people tended to join this club because it makes it easier to get a job. If a person has a computer background, employers will hire them more readily. This was the second year we've had a computer club at Hinkley. The main event held this year was a tour of the IBM Building. The real purpose of this club was to just have fun. The president of this club was Dale Sather, the first vice-president was Dan Rice and the second vice-president was Julio Cruz, Ed LaVelle was the treasurer. The other members were Debbie Brownson, Brett Phares, Kevin Bradford, Angela Denton, Paul Shea, Robert LeMieux, Erik Attroff, Allen Armstrong, Mick Prue, Ron Perez, James Goddard, Thanh Nguyen, Nancee Medellin, Roy Cerise, and Frank Alfano.

Computers can sometimes be hard to understand.

Rookie Staff Produces Contrails

With the exception of the adviser, Ms. Joan Wirig, and two returning staff members, Kristy Oaks and Ted Finney, this year's Contrails staff consisted of rookies. Despite the fact that there were two returning staff members, the method of the yearbook was put together was new to all.

The way layouts and copy were done was different and much more easy than last year's way. Choosing a theme, choosing a cover design, and deciding upon the dedication were some of the difficult decisions that were made by Editor-in-Chief Ellen Woo and the Contrails staff.

Mr. Dave Stecker, the photography adviser, and his photographers once again provided the staff with pictures for the layouts. The photographers also spent as many hours after and out of school working on pictures as the staff did working on the book.

With a membership of thirty-one, the French Club participated in many fun and French-oriented activities. The activities were aimed at providing members with a chance to enrich their knowledge of the French culture. Those activities included an initiation party on September 19, 1979, volleyball games against other clubs, a Christmas banquet at the Normandy Restaurant on December 20, 1979, a winter retreat with Aurora Gateway's French and German Clubs and Hinkley's German Club in January, ice skating with Hinkley's German Club on January 12, 1980, and a spring banquet at the Chateau Pyness. The offices this year were held by Susan Schaeff, President; Charmaine Blakely, Vice-President; Ellen Woo, Secretary; and Dave McTiernan, Treasurer. The sponsor of the French Club was Miss Mary Holland.

FBLA Helps Students To Prepare For The Future

Two of the special activities that attracted FBLA members were the pizza party at Pizza Inn, that was for a membership drive, and the ski trip to Eagle Lodge near Winter Park in February. In addition, they had a state conference at the Broadmoor in Colorado Springs for the winners of district competition. The purpose of FBLA was to strengthen the confidence of young men and women in themselves and their work, to create more interest and understanding in the intelligent choice of business occupations. This encouraged students in the development of individual projects and in establishing themselves in business, home, and community. To develop character and to prepare for useful citizenship were also goals of the group. Perhaps, to improve and establish standards for entrance into business occupations was the most important purpose of FBLA.

The goal of the organization this year was to help the members be ready to assume roles in society through home economics education and areas of personal growth, family life vocational preparation and community involvement. Overall it was designed to teach the group good citizenship. The projects this year consisted of taking a project to the nursing homes around the school; the club also enjoyed the many speakers they had throughout the year. This years officers were Celia Gallegos, President; Wendy Parsons, Vice-President; Karen Carlson, Treasurer; Wanda DeGolier, Secretary.

"Keeping alive an interest in the Latin culture is what it's all about," said Miss Carolyn Becker. "The enthusiasm was surprising. There was more interest than in past years." Their activities included movies about Rome, going to the Art Museum, playing volleyball, a Latin conference in the spring, and an attempt to take over the school in their "Death Mobile". The club's officers were Lisa Tarrant, President; Doug Lister, Vice-President; Stephanie Turner, Secretary; Shawna Walker, Treasurer; Robin Rissler, Interclub Coordinator; Verda Peterkin, Club Representative; Steven Throneberry, Deputy Interclub Coordinator, and Substitute Representative; Jane Meier, Club Spirit Person; Van Walker, "Death Mobile" Driver; Paula Rockhold, Honorary Bluewing; Val Walker, Honorary Cheerleader; and Mrs. Gail Schatz, Honorary Faculty.

Math Club Discuss New Math Concepts

The Math Club at Hinkley this year, sponsored by Mr. James Wolverton, seemed to have had its act together. The Math Club has been at Hinkley for four years. They did many things, such as discuss new Math topics, participate in math and logic games and puzzles, and they shared new ideas on math. For people who really enjoyed working with numbers, and math in general this was the club for you. The club was open to anyone who wanted to join.

German Club Participates in Many Activities

This year the German Club was sponsored by Mr. Joseph Gray. The club had approximately fifteen to twenty members. This was one of the best years for the club. The purpose of German Club was to acquaint students with the German way of life and its customs. It was open to students who were interested. Among the

club's activities were volleyball, soccer, and basketball games with other clubs at Hinkley. They also went on an ice skating trip to Evergreen with the French Club in February. The officers for this year were Henry Higaki, President; Maxine Womack, Vice-President; Vicky Putsche, Treasurer and Gary Harris, Secretary.

Club members were Keith Davis, Rickey Harball, Randy Harrelson, Gary Harris, Henry Higaki, Cecilia Hermelin, Debbie Humphries, Chris Johnson, Paul Kett, Jackie Larson, Barb Loflin, Richard McCarty, Bicky McGrath, Michelle Oswald, Dave Parker, Vicky Putsche, and Maxine Womack.

The Speech Club was sponsored by Ms. Mary Timm. This year's Club had thirty-one members in it. There were numerous events that were done in speech, such as extemporaneous speaking, original oratory, duet acting, interpretation of humor, poetry and drama, not to mention Lincoln-Douglas debate, and cross X debate. Early in the year at one of the speech meets, Charmaine Blakely and Peggy Stafford took second place in duet acting, with Tricia Comfort and Jennie Mettert taking third. The object of this club was to have fun and do a little bit of competing. The main event this year was the Voice of Democracy, where students wrote speeches on a topic and then had them taped at a local radio station. The active members were president Gwen Evans, vice-president Charmaine Blakely, treasurer Richie Strickland, secretary Verona Peterkin, Jim Richmond, Steve Betts, Paul Cline, Tricia Comfort, John Davis, Mike Hard, Shiela Johnson, Theresa Newark, Verda Peterkin, Molly Whipple, Pam Williams, Charlotte Evans, Larry Stensgaard, Coreen Stander, Valerie Stander, Gretchen Lands, Peggy Staffard, Darren Lowe, Sara Kvern, Jennie Mettert, Diedre Thompson, and Maxine Womak.

Shiela Johnson, Pam Williams, John Davis, and Charmaine Blakely lettered this year, the first members since Ms. Timm started sponsoring the Speech Club. Speech Club was open to anyone who wanted to join.

Student Council Institutes Many New Projects

Ms. Joanna Lynch was the sponsor for student council. Hinkley High School has had a Student Council for as long as we've had a Hinkley High School. The purpose of this club was "to develop a sense of responsibility for growth through self-direction." They raised money in many different ways, including a percentage from activity cards. They used their money for the State Student Council Convention, for donations around Christmas time and for school projects only. Some of their many goals included better communication between school groups, and to have students realize that the Student Council represented them. Some of their projects were student and teacher birthday cards, the student directory, and "Be cool to your school". The president of the student council was Pam Suter, and Mike Harriman was the vice-president. The student council here at Hinkley represented every grade level. Each member was to try to help represent the ideas that his or her classmates held. The senior class had the most representatives, but that doesn't mean the other classes were lacking in spirit. Every class had a pretty good showing at all of the meetings. Overall, the students at Hinkley felt they did a good job this year.

The Thunderbird Talon staff of this year consisted of seventeen members, including sponsor Miss Kathleen Hayes. This was the first year the newspaper had a columnist, Dale Sather. The Talon was written by and for the students of Hinkley. It provided a forum for student opinion as well as entertainment and information about the school and community. One main goal of the Talon was to further student interest through good leadership. Some of the more noteworthy achievements of the year were a ranking of 13th in the nation by Columbia Press and a 1st Class Award from the National Scholastic Press Association. Also for ten out of the past eleven years they have been given 1st Class awards from various press associations.

Drama Club Members View Many Plays

Mr. Robert Cary was the Drama Club sponsor at Hinkley. Drama Club was open to all students, especially those interested in theater. Charmaine Blakely was the president, Jimmy Richmond was the vice-president, Gwen Evans was treasurer and Molly Whipple was secretary. Drama Club had many activities going on

this year. The members visited many theaters to preview opening night plays. They worked the backstage activities for the play "Harvey".

The other club members were Gretchen Lands, Coreen Stander, Charlotte Evans,

Sara Kvern, Jennie Mettert, Charles Holzheimer, John Davis, Diedre Thompson, Laurette Ferrier, Tammie Hall, Terri Kivilighn, Larry Stensgaard, Cheryl Hartwell, Carla Pinkerton, Peggy Stafford, Marta VanLandingham, Terlisky Manning and Robert Allan.

Thespians Become A Separate Group

Charmaine Blakely tells her troubles in the fall play, "Harvey."

Thespians this year was sponsored by Mr. Robert Cary. This was the first year at Hinkley that Thespians and Drama Club were separated. The Thespians was an honorary club. To become a Thespian one must acquire a certain number of points. The purpose of the Thespians was to give acting students a chance to use and practice their skills. Some of the things they did included working backstage for the plays put on at Hinkley and visiting plays put on around Denver and Aurora. The group here at Hinkley this year didn't feel the need to have officers represent them; they felt that everyone was an equal. They had two members of the groups that were transfer students: Lauretta Ferrier from Thomas Jefferson and Peggy Stafford from Missouri. The group as a whole felt that they prospered well this year. The big initiation party they had really helped bring the club members closer together. If things go as well next year the group thinks good things will really start heading their way.

Mexico Beckons Spanish Club

Sponsored by Gil Salazar, this year the Spanish Club consisted of eighteen members. The main goal of the Spanish Club was to acquaint students with the Spanish way of life. They held many fund-raising activities including the selling of balloons at the Homecoming game, holding Foreign Language Day in December, and operating the concession stand at a basketball game Dec. 8. The biggest activity of the year was a trip to Mexico during spring vacation. They also participated in volleyball, basketball, soccer, and softball games with other foreign language clubs. During Christmas vacation, they held a Christmas party. Club officers this year were Lori Beilhartz, President; Cathy Legge, Vice-President; Joan Brack, Secretary; Chris Day, Treasurer.

Students Learn About Aerospace Technology

Students observe flight control operations at Stapleton.

The goal of the Aerospace Club was to acquaint the group with the various aerospace industrial facilities located in metro Denver. The club's projects consisted of building model airplanes of balsa wood and other materials. The club also sold poinsettias for Christmas and they passed out flyers to raise money for the Aerospace Awards banquet. The club visited the Longmont Radar station, the Stapleton flight control tower, and the United Airline cargo center for some of their activities this year. The officers this year for the Aerospace club were: Erin Schon, President; Jim Lefler, Vice-President; Kelly Jones, Secretary; Tony Warren, Treasurer.

Auto Club

The purpose of Hinkley's Auto Club was to increase Hinkley students' awareness of the importance and fun of motorized vehicles. This was done by combining educational activities with the interests and ideas of club members. Some of these activities were films, guest speakers, car rallies, fix-up night, auto show, and club parties. The president was Larry States, vice-president was Paul Harjes, secretary was Lois Schroeder, treasurer was Rob Wielang, and club sponsor was Mr. Paul Otto.

Chess Club Makes Chess More Challenging

John Brown sits smug while Ken Johnson tries to find his next move.

Robert Lemieux cautiously studies Greg Horton, as he studies the chess board.

With Bob Henseler as president, Darryl Brent as vice president, and Sue Sebby as Interclub Council Representative, Chess Club tried to help improve a player's ability while having fun. To help teach and to provide a partner, if there was no one else to play against, Chess Club purchased a rather expensive computerized chess board. To help those that did not know how to play at all, Mr. Terry Meiger gave lessons on Tuesdays after school. Students could be found playing chess, before and after school as well as during lunches. There were no dues and students were able to join at anytime during the year. Mr. Terry Meiger would like to see more students join next year. Members included: Robert Hensler, Will Dohe, Loretta Ferrier, Bill Corder, Harry Edward, Al Abeyta, Kevin Wateers, Paul Weis, David Burdick, Delbert Long, Brett Newton, Gary McCartz, Laurie Garrien, Sue Sebby, Ken Johnston, Kevine Moline, Ken Klaus, Bill Grimes, and Mike Bumberger.

Bowling Club

The purpose of Bowling Club was to go and have a good time. One of the main activities that the Bowling Club sponsored was the Christmas party with the faculty. They also challenged Central, Gateway, and Cherry Creek for the trophy of the year. There was a tournament in the spring so students could bowl for a college scholarship. The sponsor of the tournament was the Youth Bowling Association. The club officers were Cindy Howard, president; Dan Rice, vice-president; Linda White, secretary; and Cindy Villers, treasurer. Bowling Club was basically the same as last year except the number of people has increased greatly. The highlight of the year was to bowl a "300."

Film Club Shows All

Aimed at providing students with a chance to view full-length films during school hours, films like "Monty Python and the Holy Graile," "The Return of the Pink Panther," "MASH," "Hooper," and "Jaws" were shown to the seventy-five members of Film Club. The films were viewed by the members either during Activity Period or after school hours and were provided by the sponsor, Mr. John Felber. The offices were held by Jeremy Zimmerman, President; Sherri Jenkins, Vice-President; Scott Newbury, Secretary-Treasurer; and Gretchen Lands, Bouncer.

This year the Fishing Club's projects consisted of five trips. Their first trip was fishing for trout at Gross Reservoir and their second trip was ice fishing for salmon. Their other trips were stream fishing and the last and most fun was the over-night trip at Dillon. This club was not for guys only because there were girls who also joined. The officers for the Fishing Club were Roy Prado, President; Tim Mills, Vice-President; Brad Brack, Secretary; and Jay Ashburn, Sargent-at-Arms.

Frisbee Club Completes First Year

The main purpose of the Frisbee Club, the newest club at Hinkley, was to create a learning experience and a constructive use of time by playing organized Frisbee. The club participated in such activities as the Frisbee Golf Tournament and another tournament that was held in Boulder. They also hosted the first International Frisbee Golf Tournament. The officers of the club were Todd Wilson, President; Jay Morin, Vice-President; Tony Warren, Treasurer; Kirk Hanson, Secretary; Gary Farrell, Activities Director.

Students Build Model Rockets

The purpose of Model Rocketry was to help the students with similar interests in model rocketry to buy building materials at a lower cost and to work together. This year the Model Rocketry Club was sponsored by Mr. Terry Meiger. Although, the club did have projects planned, Mr. Meiger thought it might be discontinued at the beginning of the second semester, due to the lack of interest. Their projects consisted of ordering their materials cheaper, putting their models together in form rockets, and being able to launch them, and to study safety procedures during the launching of the rockets. The officers for this year's Model Rocketry Club were Steve Betts, President; Willy Emery, Vice-President; and Paul Weis, Secretary.

Photo Club Teaches Students the Art of Photography

This year the Photography Club was sponsored by Mr. Hubert Letterley. Its purpose was to provide students with knowledge of the art of photography as a fun and constructive pastime in a learning environment. Some of the activities were a trip to the mountains and visiting the Denver Zoo, along with taking and developing photographs. Officers were Mike Nemger, President; Steve Hamilton, Vice-President; Cindy Weihing, Secretary; Matthew Williams, Treasurer.

Rodeo Club Holds Country Dance

The purpose of the Rodeo Club was to unite people who were interested in the country way of life and rodeoing. Instead of electing officers this year, a central committee, which included all members, ran the club.

The Rodeo Club Committee wanted to earn money for members to compete in High School Rodeo Association events. In order to earn enough money for these activities, the club held a Country Dance in the cafeteria, which was extremely successful. Darla Kay Cross was chosen as Country Queen at the dance. In addition to the dance, the club committee planned many other activities to earn money.

The purpose of Stamp Club was very obvious. It was simply to promote and enjoy stamp collecting. Their projects this year were to let members of the club design their own stamp album pages, and visiting stamp shows in the Denver area, but the biggest part was just to collect and trade the stamps. The officers for this year's Stamp Club were Albert Abeyta, President; Brenda Bacon, Vice-President; and Scott Alvord, Secretary.

Ski Club Holds Picnic at A-Basin

This year's Ski Club was again sponsored by Mr. Dennis Cole. The club drew 150 members. Ski Club's purpose was to provide all students with a chance to ski, at the lowest possible cost. They went on trips to various ski areas including Breckenridge, Copper Mountain, Keystone, Steamboat Springs, Vail, and Winter Park. They also held the 7th Annual Ski Club Picnic at A-Basin. Officers this year were: Dale Foley, President; Tammie Johnson, 1st Vice-President; David Foley, 2nd Vice-President; Coreen Stander, Treasurer.

Active Ski Club members were Duane Abdon, John Alford, Gale Allain, Robert Allan, Shelly Alleins, Scott Allen, Bob Archuleta, Connie Bechtolt, John Besch, Bill Bisbee, Jane Blood, Michelle Bolin, Bart Bombgardner, Kenny Boone, Gloria Bonventure, Janice Borzymowski, Chuck Brightly, Mike Brightly, John Brown, Ron Brown, Wendy Campbell, Steve Carter, Michelle Chavez, Suzi Chilson, Vida Clark, Sandra Cloon, Darran Cramer, Jeff Cromie, Tim Coffman, J.R. Jogging Club Is Off and Running

This year the Jogging Club was sponsored by Mr. Robert Caviness. The club had approximately ten members. The purpose of Jogging Club was to promote and interest students at Hinkley in jogging as well as physical fitness. Being able to jog in a group made running a less lonely sport. The club delivered advertising flyers to raise money for themselves. Among the activities were jogging sprees outside the Aurora area. The officers for this year were Noreen Shea, President; Pam Brasher, Vice-President; Andy Martinez, Secretary.

Mat Maids Support Wrestling

Sponsored by Mr. Jerry Schloffman, the Mat Maids were a group of girls who supported the wrestling team. Among a Mat Maid's duties were keeping score at wrestling meets, making posters, putting up the wrestling display, and making a scrapbook for each varsity wrestler. Their most

important duty of the year was the wrestling banquet. To be a Mat Maid took a great amount of time. Most Mat Maids did not hold jobs, nor were they cheerleaders or Blue Wings. This year the Mat Maids were Sharon Brown, Jonna Claas-

sen, Mary Colburn, Eva Copenhaver, Tami Frankfather, Kelly Griffith, Cyndy Hill, Diane Hiller, Robin Klaus, Barbara Shaw, Carrie Smith, Belinda Vaughan, Shawna Walker, Ann Warner, Carol Wren, Karen Wren, and Jenny Zusman.

Timettes Assist at Swim Meets

Timettes, Front Row: Kris Hallstrom, Sponsor Jan Widmer, Sherry Truesdale. Back Row: Patty Stotyn, Kelly Flanigan, Karen Zuzelski, Cathy McNamee, Beth Tapper, Terri Littlefield.

The Timettes were a group of eight girls who supported the boys' swim team. Their main purpose was to keep time for each swimmer at home meets. They also made posters, and each girl brought food to the meets at different times. The Timettes were started four years ago. Their main purpose for existing was to cheer on the boys swim team. The sponsor was Campus Monitor Jan Widmer. However, she left to become a police officer. The new sponsor was swimming coach Barry Dorfman. This year's Timettes were Patty Stotyn, Kelly Flanigan, Cathy McNamee, Beth Tapper, Kris Hallstrom, Terri Littlefield, Sherry Truesdale, and Karen Zuzelski.

To get more participation in extracurricular activities and develop better school spirit for those in activities on behalf of all Hinkley students, was the main goal of the Athletic Club. The club provided members with opportunities throughout the year to attend such activities as the University of Colorado and Air Force Academy football games, the University of Denver and Colorado Rockies hockey games, University of Colorado girls' and boys' double header basketball games, and a Denver Bears' baseball game. The club also went on a raft trip, and held a spring picnic. They also sponsored a dance after the football game against Gateway on November 17. To help promote and show their school spirit the club purchased banners which displayed the league and state championships Hinkley has received over the years. The banners were hung in the gym to be admired by everyone. To display their school spirit and to be easily recognized, the members also purchased patches which were to be worn either opposite their letter or on their sleeve. The club officers were Brian Fisher, president; Tim Mologne, vice-president; Noreen Shea, secretary; Val Walker, treasurer; Pam Brasher, public relations and Cindy Griffith, activities director; and the sponsors were Mr. Pat Dolezal and Mr. Ken Vedra.

Academics

National Honor Society Serves Hinkley's Academic Community

This year in the National Honor Society there were thirty eight members, composed of seniors. They were required to maintain a 3.5 cumulative grade average and the approval of three teachers in the areas of a scholarship and high moral standings. The sponsor was Ms. Carolyn Becker; President, Maxine Womack;

Vice-President, Henry Higaki; Secretary-Treasurer, Joan Brack; and Honor Role Chairman, Robin Rissler. The purpose of National Honor Society was to encourage students to keep their high academic standings and to serve the academic community of Hinkley.

They planned projects to help the com-

munity every other month. In October, they carved pumpkins and took them to the Children's Hospital. In December they decorated a tree and gave gifts to five children of an Aurora family. In the spring they hosted the Honors Convocation.

Students Learn About Government

Janice Borzymowski, Shirley Ruben, Cindy Griffeth, Jacque Larson

The Girls' and Boys' State was held at C.S.U. in Fort Collins, from June 15 through June 22, 1979. The reason that many of the participants went to the conference was to learn about the government and how to communicate with others that were at the conference. The girls selected for Citizens Conference were Shirley Ruben, Jacque Larson, Cindy Griffeth and Janice Borzymowski. The boys selected were Henry Higaki, Mike Harriman, Vu Dinh, and Jim Lefler.

One activity at the conference was the selection of representatives for Adams and Arapahoe Counties. They also had a banquet to select the best governor and for students to run for office. The students tried to be the best by making a speech so that the people would vote for them. The participants enjoyed the conference and learned about running the government.

Top Ten Are Competitive

The competition for the top ten spots in the 1980 senior class was very stiff. Four people, Gene Boe, Cindy Griffith, Henry Higaki and Pam Suter, tied for the number one position with a grade point average of 4.0. Most of the ten were competitive not only in academics, but also in sports. Congratulations to Hinkley's 1980 Top Ten!

Eugene Boe was tied for number one with a G.P.A. of 4.0. Most of his spare time was centered around school activities. Gene enjoyed watching television to relax. He advised freshmen not to listen to other students and to stay ahead. Gene intends to go to C.U. or Stanford to major in engineering.

Being selected to attend the Air Force Academy was one of the biggest thrills in number one ranked Cindy Griffith's life. Cindy not only wants to run cross country at the Academy, but also run indoor and outdoor track. She ran every week during the summer in road races plus she water skied, camped, fished, sewed, and danced. Cindy would like to see the incoming freshmen get more involved, but to take their education seriously.

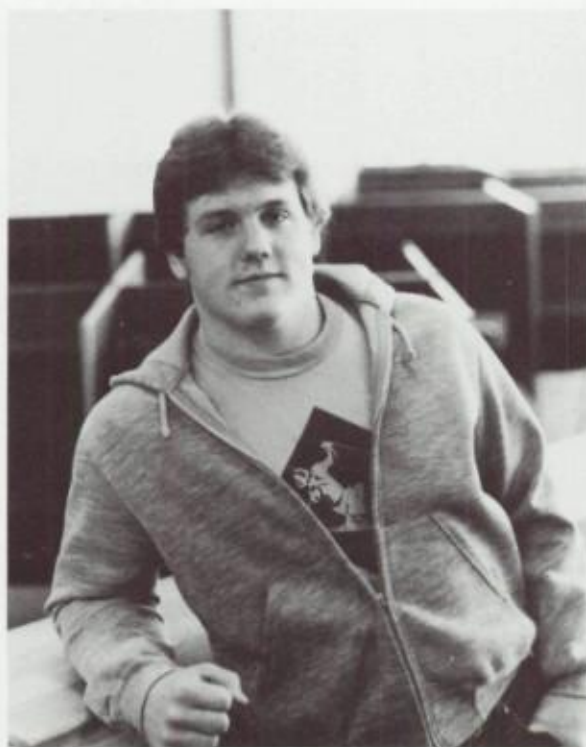

Henry Higaki was also tied for number one with a G.P.A. of 4.0. He enjoyed playing tennis, skiing, camping, and other outdoor activities during his free time. Henry advised incoming freshmen to get involved in school, budget their time well, and do all of their homework, or school will be a waste. Henry will major in engineering at University of Colorado next year.

"I'm surprised that I made it all the way through maintaining a 4.0 grade point average," said number one ranked Pam Suter. Some of her hobbies were skiing, swimming, water skiing, and going to the movies. Pam would like to be a math teacher. She was accepted at the University of Northern Colorado and plans to go there to obtain her teaching certificate. When Pam was asked what she would tell incoming freshmen, she replied that they should get involved to make the years go faster and get to know the teachers really well. Pam commented that she liked the challenge of keeping her grade point average at 4.0 and she also liked the students, teachers and administrators at school.

"The good things are not always on the surface. You have to search for them sometimes," was the comment that number five ranked Maxine Womack made. The reason she said this was because she would like for people to get rid of their pessimistic views of the school. With a grade point average of 3.9, Maxine had very little trouble being accepted at the colleges to which she applied. Not only was she the treasurer of the Senior class but Maxine also found time to be an officer in NHS, play tennis, watch a lot of movies, read, participate in school plays, take care of animals, and go to the mountains. "Don't waste your time, do everything you can," was her advice to the incoming freshman.

Skiing, golfing, fishing, participating in sports, and meeting people were a few things sixth ranked Tim Mologne liked to do. Besides these activities, Tim took such classes as Calculus, Enriched English 4, and Physics and maintained a grade point average of 3.966. "This year was the biggest challenge", said Tim. He suggested that incoming freshmen load up all four years, stay active, and be friendly and out going.

Joan Brack was ranked in the seventh position. She enjoyed art, sports, and ceramics. Joan would like to see Hinkley students get involved and support the school in the future. She has appreciated her opportunities to meet people at Hinkley. Joan will go to college and major in accounting.

With a grade point average of 3.958 and a class rank of eight, Jeff Campeau applied at Colorado State University, Colorado School of Mines, and Pomona in California. He plans on majoring in petroleum engineering and maybe playing baseball. Besides staying active in school, Jeff coached kids in baseball and basketball. He also camped, fished, and liked to listen to music. Jeff recommended that if incoming freshmen are education-minded, they should pursue their interests. "Be yourself within reason," said Jeff. As for how he felt about the school, he said that he really enjoyed meeting the people and participating in the athletics. As for being top ten he said, "It's like a reward for working hard."

Vu Dinh had a ranking of nine. Vu enjoyed reading books and listening to music in his spare time outside of school. Vu suggested that students should do the best they can in school. He is going to go to Colorado School of Mines, majoring in petroleum engineering.

Noreen Shea was tenth in the senior class. She ran competitively and for recreation in her free time, as well as working at Fleet Feet. Noreen suggested that incoming freshmen should take their subjects seriously, and keep up their school work as well as spirit. Noreen wants to go to college out of state to major in natural sciences and minor in physical education.

Area High Schools Participate In Mid-Year Graduation

On January 21, 1980, a group of ten Hinkley seniors along with thirty-six other students from Central, Gateway, and the Adult Education classes, graduated at the mid-year commencement exercises at Central High School. The invocation was given by Hinkley senior Debra Gay Taylor. Dr. Patrick Grippe and Doyle K. Seawright, the President of the Board of Education, presented the ten students with their diplomas. The address was given by Central senior Nancy Allyson Walker and the benediction was by Gateway's Mary Beth Timko. Joseph S. Flierl, principal of Central, presented the class for acceptance by John G. Stuart, Superintendent of the Aurora Public Schools.

The graduating seniors were Sissi Ann Adair, Linda Chrispina Alfaro, Sherri Lynn Boness, Debbie Griego, Theresa Mary Kivilighn, David Lee Sowa, Richard Charles Stewart, Carmen Jane Stief, Debra Gay Taylor, and David Charles Trujillo.

Vocational Center Offers Specialized Training

The main purpose of the Vocational Technical Center was to help students to prepare to enter various jobs and professions. The Vo-Tech Center was one of the seven in the state of Colorado. Students from seven school districts were bussed in from other areas as far away as Bennett. During the day there were about 950 high school students attending the center in addition to about 450 adult students. People attending received the same training offered at various community colleges. There were forty-seven different programs offered; all of which provided training for outside careers in a specialized area. At the end of the class each student attending classes received a certificate stating completion of the course and how many hours he had received.

ROTC Has Many Activities

ROTC classes were held at Central High School for Central, Gateway, and Hinkley. Major Livergood was in charge of the ROTC program. Participants spent three days a week working on such subjects as psychology, navigation, and weather. The other two days were spent on drills. The young men and women were given leadership experience which built their self-confidence. ROTC members participated in many activities, such as a Military Ball at Lowry, and a field trip to the Air Force Academy. Hinkley ROTC members included: Raynette Austin, Jonathan Boone, Janet Cliburn, Trena Cooper, Van Dinh, John Hunter, Valerie Tegner, Elbert Linnear, Christopher McNeill, Ricardo Nevares, Le Thi Nguyen, Norma Reyes, Shelia Rogers, Sheree Wunn, William Yates, Roman Burgess, Ronald Cody, Anne Petterson, Robert Bradford, Albert Hamilton, Carlos Nevares, and Stephen Weeldreyer.

Foreign Exchange Students Improve Relations

Lenhart Svensson, Sweden

Cecilia Hermelin, Sweden

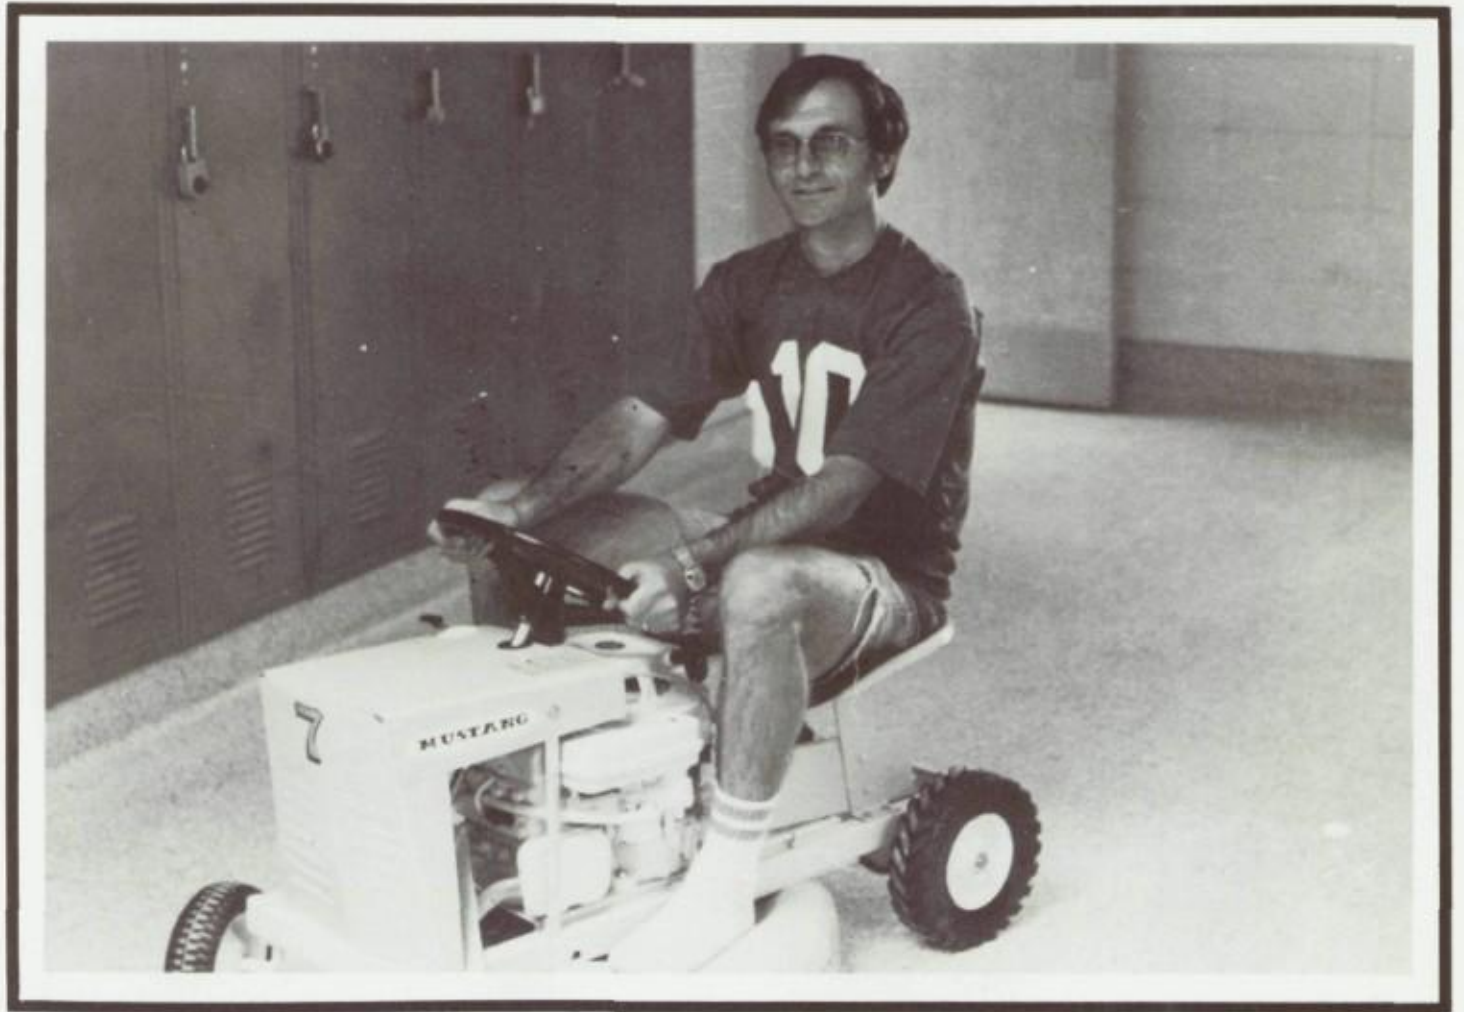

The Foreign Exchange Program was first started at Hinkley in 1975. For the next three years, there were no Foreign Exchange students at Hinkley because homes for them could not be found. But in the summer before the 1979-1980 school year, Hinkley's PTA stepped up their plan to find homes for a few Foreign Exchange students. First, an advertisement was put in the "Aurora Sentinel" requesting homes for the students. After this effort failed, the Hinkley PTA successfully called parents to house the students. There were several reasons for Hinkley's participation in the Foreign Exchange Program. First, the Foreign Exchange and the American students had a chance to learn about each other's cultures. New friends were made and the mystery of how people from other nations live was solved. Secondly, political relationships were strengthened by inviting Foreign Exchange students into the United States.

New Programs Improve School's Image

Students' experiences at Hinkley were shaped with the help of the administration. Dr. Grippe was excited by a new three-year program to help improve the school's atmosphere. This program included a plan to improve the communication between the school and community, increase the number of students who were involved in a club during activity period, and start a new teacher advisory program. He felt the attitude of students was improved this year because of better attendance and higher first quarter grades.

Secretaries, Counselors, and Nurse Aid All at Hinkley

Secretaries helped keep the school office running smoothly. They performed duties such as assisting the principals, answering the phones, and keeping the attendance records. The office was run efficiently by the secretaries. Another group of people who were important to the students' academic lives were the counselors. Counselors gave advice on scheduling classes to fit the person's particular needs and interests, preparing for college, solving teacher-student conflicts, etc. New to Hinkley last year was the Teacher Advisory Program. Each teacher was given approximately fifteen students to advise so that more individual care could be given to every student. Finally, the school nurse was prepared to handle any medical problem from a stomach ache to a broken bone. She was also able to help students who may have needed other medical advice.

Art and Practical, Home, Industrial, and Music Arts Attend Competitions

Advance Placement classes were offered at Hinkley for exceptionally talented art students. Some students participated in art shows during the year, such as The Buckingham Art Show, where different projects were displayed for public viewing, the display at the Aurora Public Schools board room and the Scholastic Art Awards sponsored by May D&F. Also, students were given the opportunity to go to an independent study program to specialize in one special area.

The band had an exciting year because of its trip to Quebec, Canada for the International Music Festival. They stayed for five days and four nights. Band students had many fund raising events, such as selling candles, oranges and grapefruits, to raise the \$30,000 needed to make the trip.

Concert Choir took a trip to Grand Junction, Colorado for a choir festival. The trip was also financed by raising money by selling candles, oranges, and grapefruit.

Symphonic Band, Concert Choir, and Girls' Ensemble participated in the State Contest which is an annual event and is held every spring. Stage Band played at the Golden and Brighton Invitational Jazz Festival.

Physical Education and Special Education Train Body and Mind

There was a wide variety of physical education classes offered last year. Students were required to get at least two credits of physical education without taking any courses more than once. Janette Roberts, a new addition to the department, proved to be a great asset. Special Education was led by Barry Dorfman, department chairman. A program to help slower learning students acquire knowledge at their own pace was used. This program included smaller classes to enable teachers to work more closely with each student.

Math Department Adds to Students' Lives

In the Math department there were different levels of math. The less difficult classes were Basic Math, Applied Math and Topics of Math. The classes for more advanced students were Trigonometry and Calculus. Some classes that helped students to prepare for college or the outside world were Business Math, Algebra, and Geometry. The total mathematics program was geared to meet the individual needs of students as well as their individual rates of learning.

There was a new teacher this year in the math department. He was Mr. Brent Carlson who was a strong addition to the department. Mr. Carlson taught Geometry and Algebra I. Some of the math teachers at Hinkley took a computer course that gave them additional background in Computer Science.

Since last year the Business department has dropped some classes. This had an effect on the program. Short Hand and Office Procedure were removed from Hinkley and transferred to the Vocational Center. The students that wanted to take these courses felt that they were too long at the time. In addition, Personal Finance was not at Hinkley anymore. The courses offered by the Business department were beneficial to students after graduation. Many Business courses taught were counted as one full credit. These classes included Consumer Economics which helped if students needed a practical art or social studies credit. Also, Accounting can be a math credit. Students were not aware of this so they did not take Business courses. The department was a step up to a better future.

The English department instituted a new rule for ninth and tenth graders. These students had to pass English 1 and 2 before they were able to take quarter classes. Teachers spent a great deal of time working on implementation of this requirement. English 1 included grammar

and speech while English 2 was more involved with composition and literature.

There were some new teachers to the department that were definitely assets to Hinkley. They were Lois Castuera who taught Develop Mental Reading and

English 1 and also Lynn Walters who taught English Skill 1 and Social Studies 9. Robert Cary came back from a sabbatical leave. Last year he studied and taught classes in drama at Adams State College in Alamosa, Colorado.

Staff Members Are Added In Social Studies

All students must have a required amount of three social studies credits before they are able to graduate from Hinkley. All ninth grade students were required to take ninth grade social studies and eleventh grade students were required to take American History. The other classes available were World History, World Cultures, and Psychology/Sociology, which were available for the final credit for graduation.

There were four new teachers added to the staff this year—Lynn Walter, who taught ninth grade social studies; Gary Baker, who taught ninth grade social studies; Patricia Heist, who taught World Cultures and ninth grade social studies; Joanna Lynch, who taught ninth grade social studies and World History. All four teachers were great additions to the social studies department.

Media Center Acquires New Equipment

The Media Center was used more this year by the students for composition, projects, research, and recreational reading. The equipment that helped students understand more about a subject that they were learning was primarily movie projectors. Also, the amount of equipment was always increasing in the media center to meet the needs of the students and the faculty. The faculty and the students that worked in the media center did most of the school filming, video taping, and photographing of academics and sports. This year a radio station was installed and the students thoroughly enjoyed making it operational.

Science Looks Toward Future

Many science courses were offered to students who were interested in fulfilling the required two credits for graduation and in preparing themselves for the future. Courses such as Earth Science, Man Made World, Biology, Physics, and Physical Science were offered. Chemistry was divided into three levels of difficulty for the first last year. These were Basic Chemistry, Chemistry, and Honors Chemistry. Basic Computer Programming, taught by Dennis Cole, was also added to the program.

Foreign Language classes emphasized learning not only how to speak another language, but also how the people that speak the language live. This was done by teaching about the country in the classroom, taking field trips to cultural centers, and sponsoring language clubs. For example, Spanish, French, and German classes sang Christmas carols in their respective languages before Winter Break.

Underclassmen

This year's freshmen class officers were president Lydell Peterson, vice-president Steve Black and secretary Kelly Brady. Ms. Schatz was the sponsor once again. Fred Anderson was the class treasurer, but he left during the second quarter of the school year.

The freshmen had a somewhat unique experience when they voted this year: they used real election booths. This year's officers had many surprises up their sleeves. Throughout the year they sponsored many different events for their fellow classmates.

Every year the freshmen seem to be ignored by all the other upper classmen, but each year the officers have tried to make an impression upon the rest of the school. This year, through the officers hard work and the freshmen students' strong support, they have done it.

Among other things, they worked at the concession stand and other fund raising events, so that next year's officers will have some money to fall back on. The freshmen officers probably would not have had as good a year if it had not been for the wonderful class support, as demonstrated around Homecoming. Their float was one of the better ones displayed.

This year the freshmen officers did an extremely good job in guiding and supporting their classmates through their first year of high school.

Sophomores Experienced a Slow Start This Year

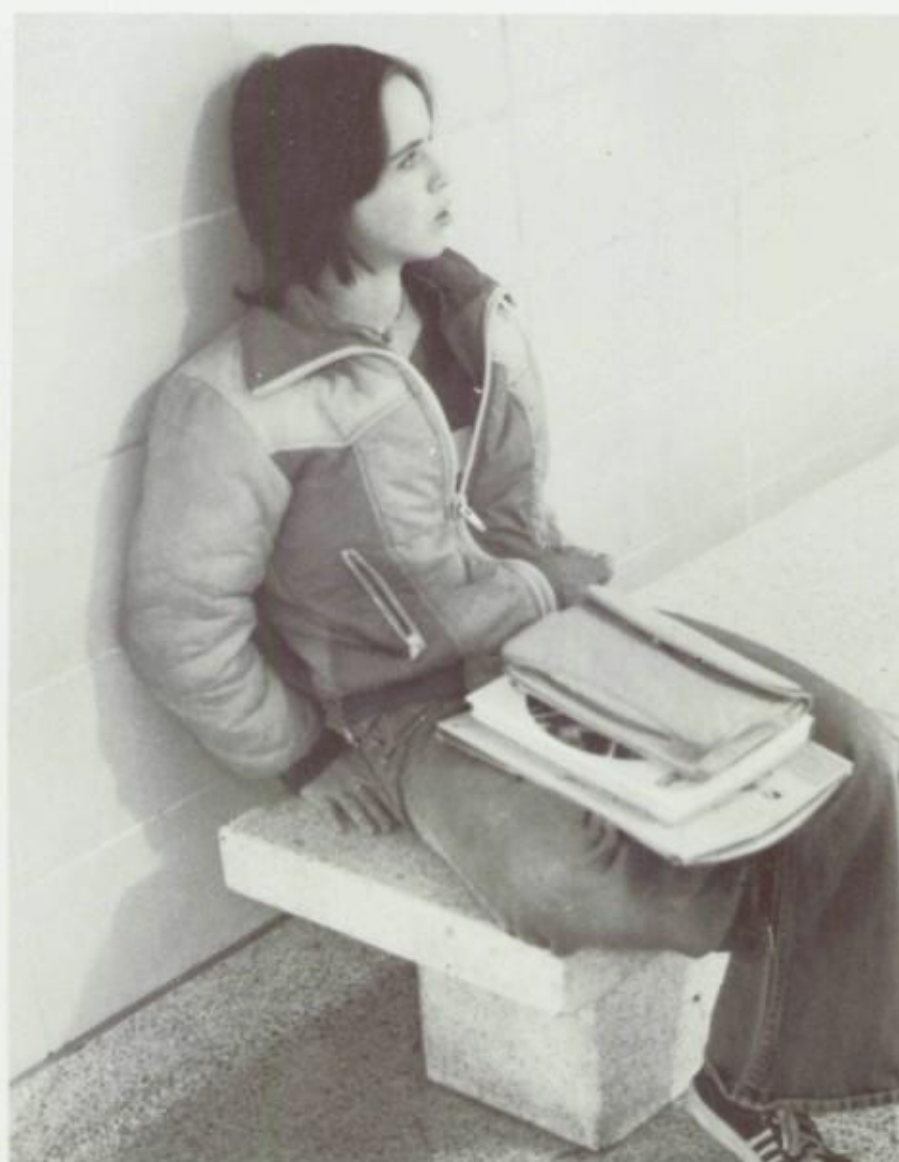

The sophomore class officers this year had a rough start. Charla Graham, the treasurer left during first semester and wasn't replaced. Some of the things that they did sponsor included the Sadie Hawkin's dance. They also held fund raisers such as candy-grams at Christmas time. The candy-grams were delivered by sophomores dressed as elves. The class officers were president, John Brown; vice-president, Elisa Nigro; secretary, Arlyn McDonald. Homecoming was enjoyed by many sophomores who participated in the float building. The football team was highly instrumental in the float construction. They spent many hours at Charla Graham's house working on the float.

Vice-president, Elisa Nigro, president, John Brown, and secretary, Arlyn McDonald, were extremely helpful this year for the sophomore class.

Junior Class Had It All Together This Year

The Junior class officers accomplished a lot this year. They sponsored MORP and the PROM for the senior class. The junior-senior breakfast was also sponsored by them. The junior class officers held the Blue and Silver Show, which was a huge success. The president of the junior class was Richie Strickland, the vice-president was Charmaine Blakely, the secretary was Vicky Putsche, and the treasurer was Michelle Oswald.

Over all next year's Seniors will be ready to take over and do just a good of a job.

Junior class officers: Vicki Putsche, Charmaine Blakely and Michelle Oswald; standing, Richie Strickland.

Seniors

Hill and Walker Head Senior Class

"Everybody has different values but no matter what, the class will always be together as one," said President Cyndy Hill. She was right. With such accomplishments as the painting of the "H" in September of 1979 and winning the plaque for "Best Overall Float" at Homecoming, the class proved that "the 1980 Seniors are the next best thing to being perfect." But it did not end there. They also had a hay ride on December 14, Button-up day on January 25, a Sweetheart Dance on the first Friday in February, a Baby Day for Seniors only in March, and a food drive to help make food baskets for the needy at Easter time. The class also brought back a former tradition: the Powder Puff Football games. This venture was a great success. This year's class chose to have each day of Senior week be a different way of dress. As the years pass the Seniors hope that they will always be remembered as the class with "a touch of class," which was their theme.

Jonna Payton, Chris Reyor, and Cyndy Hill papermached themselves more than the form.

Pam Williams and Bicky McGrath prepare to shorten Brian Fisher's crutches.

Mr. T-Bird 1980, Dave Paris

Channel Nine's Gary Cruz Had an Eye For Good Looks

On October 30, 1979, Mr. Bruce Shephard from Rocky Mountain Portraits selected from all the senior pictures that were submitted twenty students to be semifinalists for Mr. and Miss T-Bird.

This contest is an annual event sponsored by the Contrails staff and is judged only by the photogenic quality of the picture of the person. The semi-finalists are not judged by their participation in sports, clubs, or extracurricular activities or their academic standings.

The final judging was done by Mr. Gary Cruz of Channel Nine News, on November 1, 1979. At that time Mr. and Miss T-Bird as well as the Runners-up were selected.

We greatly appreciated Mr. Cruz's cooperation in helping with the selection of this year's winners. We would also like to congratulate Mr. and Miss T-Bird, the Runners-up, and the semi-finalists.

Above: Mr. Cruz poses for a Contrails photographer in Channel 9 newsroom. Right: Mr. Cruz contemplates the candidates for Mr. and Miss T-Bird.

As the school year comes to an end, Hinkley has painted just another part of our *canvases*. Whether the *canvases* were painted with sports, being associated with an organization, or an activity. The feeling and emotions that occurred during the school year also became part of our *canvases*. Even though the traditional activities occurred, they were different because we were part of these activities and these activities became part of our individual *canvases*.

This year had many unique memories and even memories that we would soon like to forget that became a part of our individual *canvases*. The T-Bird football team lost the Homecoming game, again, this time to Smokey Hill . . . The Seniors won the award for the best Homecoming float . . . The theme of Homecoming was "We'll Never Pass This Way Again" and the dance was held at the Paul Beck Center . . . Powder puff football was reinstated and the team of the Seniors—Freshmen loss to the team of the Juniors—Sophomores . . . School was closed due to the largest snow storm in two decades on November 21, which gave everyone a five day Thanksgiving break instead of the traditional four day holiday . . . A two week Christmas break, which was not very white, happened . . . On January 1, a new decade began . . . "Harvey" did not appear as the first all-school play of the school year . . . "Thurber's Carnival" was the second all-school play . . . Spring break was from March 29 to April 6 . . . The library was rearranged . . . The locks on the lockers were changed from private locks to school-owned combination locks . . . And the Senior Class graduated as the first class of the decade.

These memories make-up only part of the part of our *canvases* that included Hinkley. There were many little things that occurred this year that have become part of our *canvases*. Whether things were little or large, these memories of Hinkley have become only a part of our individual *canvases*.

There is no way this book could possibly cover everyone's individual and completed *canvases*. Therefore, this page is being left without pictures because Hinkley has only painted a part of everyone's own canvas. There are still things in everyone's future that will make their *canvases* more complete. Hinkley has only helped shape many *canvases*. But to many, their *canvases* can only be shaped as they progress in the future.

Hats Off To "Little Mary Sunshine"

Patty Donnelly, Wende Curtis, and Bob James perform one of the musical numbers.

General Fairfax, Retired, tries to win over the young ladies.

The forest rangers take a moment to talk about the young ladies.

Carlos Nevares and Coreen Stander practice a dance routine.

On March 21 and 22, the musical, "Little Mary Sunshine" by Rick Besoyan was performed. The story takes place early in this century at the Colorado Inn in the Rocky Mountains. Although some of the characters are plagued with problems, Mary trying to save her Inn and Chief Brown Bear suing the United States Government for the land that had been taken away from his tribe, there are still romances in the story. The Forest Rangers fall in love with the ladies from Eastchester Finishing School; Nancy Twinkle falls in love with Corporal Billy Jester, and Captain "Big Jim" Warington is in love with Mary.

In the end, Chief Brown Bear wins his suit and gives the Inn to Mary, the ladies keep their guys, Nancy catches Jester, the General settles down with Madame Von Liebedich, and Mary marries Warington.

Students Exposed to "Fashion Fantasy"

Thursday, February 14, 1980, was the date for the Black Student Alliance sponsored fashion show held in Hinkley's auditorium. The theme of the fashion show this year was "Fashion Fantasy" and was to expose students to the new fashions. This event was a Hinkley function and was open to all Hinkley students. The fashion show was an annual event and has grown over the years with each production.

Sue Shaw models the latest in tennis wear.

Pam Townsend models an outfit for evening wear.

This evening outfit is modeled by Jerry Barnes.

Modeling the latest in casual wear is Leonard Owens.

Bonita Hermance models fashionable evening wear.

Lil' Abners and Daisy Maes Arrive in "Dogpatch".

On Friday, February 29, 1980, the annual Sadie Hawkins dance, sponsored by the Sophomore class, was held. Sadie Hawkins reverses the traditional role by giving the girls an opportunity to ask a fella out. Besides the dances, the other events were the marriage booth and the jail house. During the day, students dressed appropriately to the event; and at the dance, Trent Loest and Marnie Watson were chosen as the best dressed couple as Lil' Abner and Daisy Mae.

"Lil' Abner" and "Daisy Mae" pose after being picked.

"Preacher" Molly Whipple is performing a "wedding".

Ms. Jean Flory, sponsor, prepares the concession stand.

Robin Rissler and Gary Harris perform a dance.

An underclassman shows how one of the dances is done.

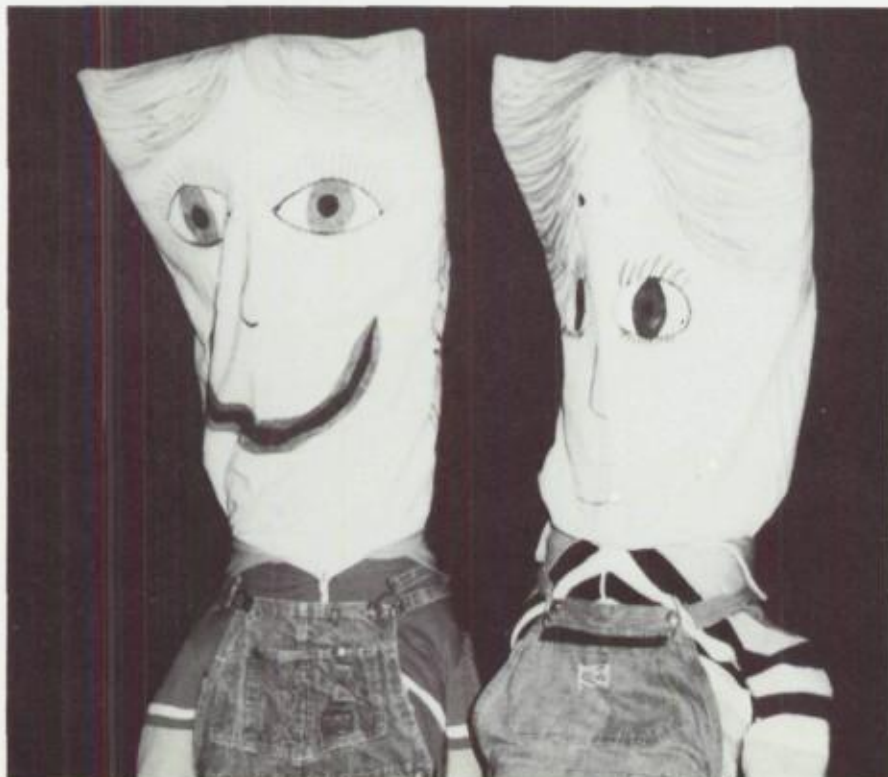

Talent Abounds at Hinkley

Charmaine Blakely tries to lift M.C. Richie Strickland.

The faculty act portrays students in the library.

Short People make a big hit.

The Silver and Blue Show was on April 25th. This was the first year that two Junior class officers, Charmaine Blakely, and Richie Strickland, were the Mistress and Master of ceremonies. Two highlights of the show were the "Faculty Act" and "Short People". Over all the Silver and Blue Show was a huge success with the audience.

Students Fling Into Spring With "Spring Week".

During the week of May 5, Student Council sponsored a "Spring Week" to end the school year with a flurry of activities for everyone. Although the action started on May 5, a special banquet at which Secret Pals, a year-long project involving faculty members with a Student Council member as a secret pal, were announced was held on May 2. The official action commenced on Monday with a Pep Assembly honoring the spring sports and announcing the newly selected cheerleaders and Blue Wings. On Tuesday, the Council hosted a tug-of-war with the Sophomore-Junior team pulling out over the Freshmen-Senior team and the females over the males. Wednesday saw the Faculty victorious over the Seniors in volleyball and the Stage Band entertained students with music during all three lunches in the cafeteria. That night the MORP dance, sponsored by the Freshman class, was held in the cafeteria. Thursday contained several activities. It was Button-Up-Day on which the girls were given badges and the boys tried to make them talk. If a boy succeeded in doing so, he collected her badge. Sophomore Ron Walker received a prize for collecting the most badges. Thursday also saw the Staff edging the Students in bowling by 4 pins, and the Seniors lunched at "Tommy Wong's Island" where the Senior Superlatives were announced by the *Talon*. Friday closed the week with a "Head for the Halls" distance classic and the title was claimed by Senior Roger Brening and the festivities were closed with a carnival sponsored by the Black Student Alliance held that night.

The Secret Pal Banquet, held in the media center, was fun for everyone involved.

At the tug-of-war, the Junior-Sophomore team pulled and . . .

the Senior-Freshmen team pulled.

Before the Secret Pals were announced, Ms. Skye Briscoe speculates that Steve Black is her Secret Pal.

The Senior-Freshmen team even tried a different team . . .

but the agony of defeat prevailed.

Some of the Seniors await the announcements of Senior Superlatives at the Senior Luncheon.

Dave Love, Mr. Bob Hinton, and Mr. Dave Melton rest between frames at the bowling match.

Campus monitor Jim Wright shows off his new security device.

Ms. Joanna Lynch presents Ron Walker with his prize for having the most buttons collected on Button-Up Day.

"And they're off!" in the first annual Hinkley High School "Head for the Halls" Distance Classic.

Senior Roger Brening sprints to the finish.

Thunderbirds Win Division Title.

This year's varsity baseball team ended the season with a 16-3 record and the division title. The team's biggest challenge this year was defending the state title which they won last season. Because the T-Birds had nine returning lettermen eight of which were seniors, they had good depth and of course experience. Although the T-Birds had an outstanding corp of players, senior Brian Fisher was cited as the team's most valuable player. Although the team will only have one returning starter next season, we are sure that because of outstanding coaching the T-Birds will repeat the success they've had the past two years.

J.V. Baseball Has Winning Season.

The 1979-1980 Baseball team ended its season with a 7-6 record. The team's most impressive game this year was against Smokey Hills. Pitcher Brian Holman threw a one hitter against them. Furthermore, because Brian Holman had the best win-lose record of the pitchers, he was cited as the

most valuable player by Coach Melton. The weather was also a very important factor for the team this year. The double header with Overland was cancelled twice because of rain. Thus the game was never played. Overall this year J.V. baseball team had a very successful season.

Scott Brosier gives the ball a wack.

This year's Sophomore-Freshman baseball team won their division this season. Under the Coaching of Tony Giardina the team ended their season with a 10-2 win-lose record. The toughest game for the team this year was its game against Douglas County. They beat them 5-4, Mike Nemger, one of the pitchers, was cited the teams most valuable player. He had an outstanding batting average of .600. Dave Parker was cited as the team's most improved player. This years Sohpomore baseball team should be very proud of its fine season.

A Good Year For Girls Track

Mr. Blair said, "The team was pleasantly surprised with return of Flo McCarther. Her assistance, by placing second in the district in the shot, helped the T-Birds capture fourth place in district. Nina Williams broke the school record in the long jump by jumping 17¼. Noreen Shea set a new

school record in the two mile run in 12:00.5 Cindy Griffeth, Nina Williams, Carla Smith, and Vanessa Sheffield set a new school record in the 440 relay in 51.06. Carla Smith, Tracy Hunt, Sharon Wert, and Vanessa Sheffield set a record in the 880 relay in 1:46.86.

Future Says, "Golden Days Ahead For Boys Track."

Boys Track did not turn out to be strong competitors this year. The Freshmen this year, Rod Strickland, Sam Smith, and Robert Swift really helped build the team. Mr. Caviness feels the team will have a stronger season next year. Stan Waddell really helped the team, qualifying for state in

the 100 and 220 yard dashes and 880 relay team. Also on the relay team were Leal Duhart, Bryant Gulde, and Dwight Fox who were all graduating seniors. Next year the team could use more weight men and sprinters. So, men, come out with lots of school spirit and join the talented T-Bird Striders.

While standing on the 100 dash starting line Denny McDaniels seems to have his mind on one thing and only one thing; that is winning first place for himself and ten points for the team.

Stan Waddell seems to be thinking "Ain't no stopping me now" as he books to the finish line in first place.

Girls' Tennis has Good Leaders

Although the Girl's Tennis Team did not win a match this season, they did finish tenth in the district meet.

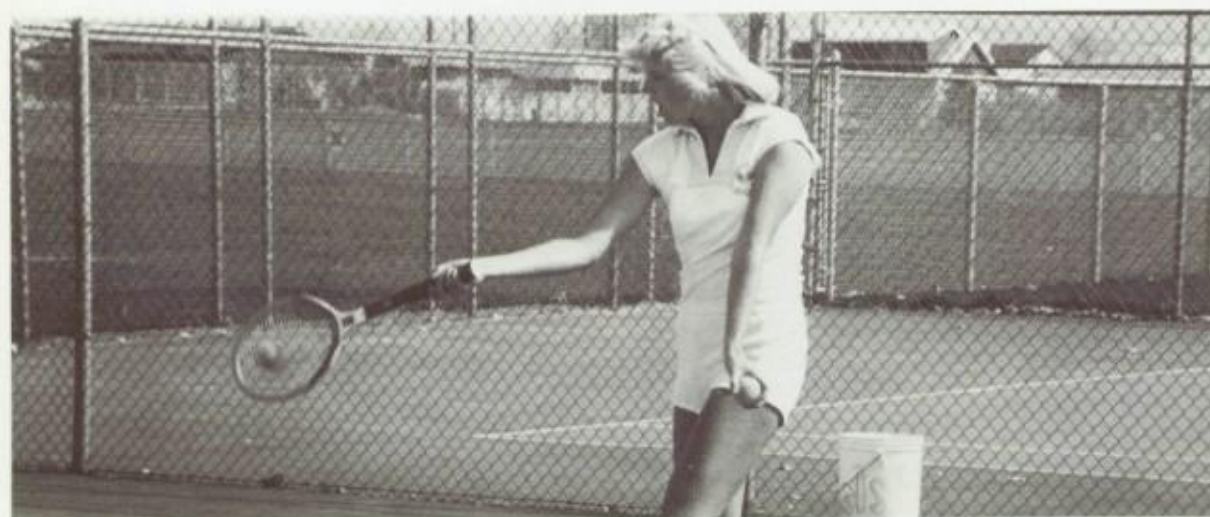

The team had many leaders and they chose three of these as superlatives. The most valuable player award was given to Senior Susan Shaw. The most improved was designated as sophomore Chrissy De Soto. The team also gave one more award. It was the impressive most dedicated player award. This honor was awarded to junior Cathy Legge. The fact that two of the three awards were given to underclassmen is encouraging because they will return to lead the team next year.

The team believes that it will be a team to be reckoned with next year.

Soccer Looks Toward Future

Although the Girls' Varsity Soccer Team had a winless season, posting a 0-15-1 record, the future looks much brighter. The team is losing only four starters to graduation, and this year's injured players will be healthy and ready to go next season.

Those facts are heartening along with the selection of underclassmen for the team's superlatives. Junior Amy Garza was voted the most improved player while sophomore Kay Corbin won the honor of the most valuable player.

Coach Brian Reynolds stated that the team's best game was their 1-0 loss to Smoky Hill, and that their best point was their fighting attitude. Besides the Smoky Hill game, this fighting attitude was especially evident in the Arapahoe game. The team was down 5-0, but scored with less than one minute to go.

Despite racking up only one tie to their credit, the Girls' Varsity Soccer Team is confident about the future.

This year's J.V. Girls' Soccer had a rocky start, but through improvement, ended up winning several games.

The team was led by most valuable player Barb Shaw and by most improved player Daphne Peed. These two awards were given after a vote was taken of the girls' teammates.

The team improved over the season and will add needed talent to next year's varsity squad.

"Under Milkwood" was the last school play for the year and was performed on May 15 and 16. This play was written by Dylan Thomas and was presented in an unique manner. The audience was seated on the stage. Some of the advantages of this were the performers could be heard better and could be seen on stage without difficulty.

The play took place on the loading docks of Milkwood. Throughout the entire performance, the story was recited through various people talking in rhyme. Some of the people involved were Mrs. Ogmore Prichard, played by Sara Kvern, who could not stand anything being dirty and Mr. Prichard, portrayed by James Galey, who continually made fun of his wife.

Honors Convocation Recognizes Achievement

Junior Escort Assist Seniors

Family, friends, and teachers gathered in the school auditorium to recognize the achievement of approximately forty seniors. Certificates were given to students who received scholarships and awards as well as to those whom teachers chose to recognize for exceptional ability and growth in specific departments. The ceremony was opened by Honor Society mem-

bers Maxine Womack, who gave the welcome; Robin Rissler, who led in the Pledge of Allegiance; and Joan Brack, who gave the Invocation. Dr. Patrick Grippe, Hinkley principal, Mr. Stan Pursley, Hinkley assistant principal, and Ms. Carolyn Becker, Honor Society sponsor, presented the various awards. The Benediction was given by Sheila Johnson. A reception was held after-

wards.

Junior Escorts were very helpful to the graduating seniors. The twenty-one escorts were chosen for academic achievement and leadership in the Junior class. They were responsible for seating the seniors at Baccalaureate and Commencement.

Vu Dinh gave the Invocation, followed by the traditional "I'll Take My Staff and Travel On" and "The Road Not Taken", sung by Hinkley's Concert Choir. Mr. Robert Stanberry, Minister of Aurora First Presbyterian Church, gave the seniors a few words of encouragement for their future lives in his address. The service was ended by Noreen Shea, who gave the Benediction.

Commencement Exercises Bring Pride

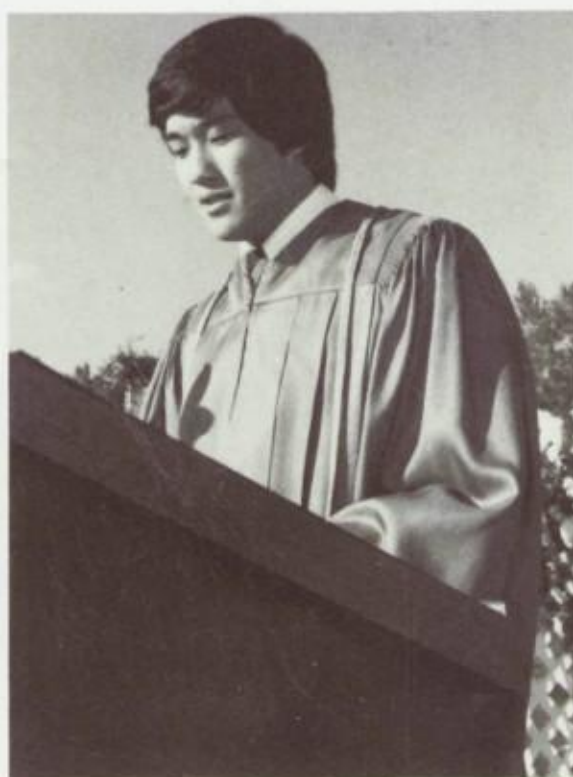

In their last program at Hinkley, 351 seniors graduated. Master of Ceremonies Tim Mologne greeted the audience. Joan Brack then gave the Invocation. The Class of 1980 had four valedictorians who gave addresses: Eugene Boe, Cynthia Griffeth, Henry Higaki, and Pamela Suter. The salutatorian address was given by Maxine Womack. Mr. Stan Pursley, Hinkley Assistant Principal, presented scholarship and honor recipients. After the presentation, seniors anxiously waited while Dr. Patrick Grippe, Hinkley principal, presented the class and the Superintendent of Schools, Dr. John Stuart, accepted the class. The seniors were presented their diplomas, Jeff Campeau gave the Benediction, and Hinkley's 1980 graduates celebrated their proud moment.
